Dear Friends,

Welcome to our inaugural issue of the IHM Catholic EdNotes, formerly known and loved as the ABC Notes!

Within its pages you will find several of the familiar features you have come to find helpful in your ministry of Catholic Education as an administrator, catechist or classroom teacher! We have also added some interesting new features that we hope will support your best practices!

At this current time of distress and anxiety caused by the COVID-19 crisis as well as the heightened sense of urgency to overcome the evils of racism, we pray that you will have a renewed sense of the power of your influence as an educator to bring hopeful and peaceful change to your local community! We can be better and do better together!

If you have any comments or suggestions, please contact us at: ihmcatholicednotes@gmail.com

God bless you and keep you well and safe!
