ANNUAL REPORT 2021-2022

SISTERS, SERVANTS OF THE IMMACULATE HEART OF MARY
MALVERN, PENNSYLVANIA

Fall 2022 • Volume 21 No. 3

I Rejoice, My God, in My Vocation...

Perpetual Profession of Religious Vows

Congratulations to
Sister Amanda Marie Russell who
professed her final vows on July 17 in
Sacred Heart Chapel.

Sister Amanda professed final vows of chastity, poverty, and obedience in the presence of Sister Mary Ellen Tennity, General Superior.

Sister Amanda takes time for a picture with the Most Reverend Stephen D. Parkes, Bishop of Savannah, celebrant and homilist. Sister Amanda is missioned at St. James the Less Parish in Savannah, GA.

On her special day, Sister Amanda was surrounded by the love and support of her family (pictured left) and the IHM Administration (pictured above).

Dear Friends, Relatives, and Benefactors,

The Creator can say to each one of us: "Before I formed you in the womb, I knew you" (Jeremiah 1:5). We were conceived in the heart of God, and for this reason "each of us is the result of a thought of God. Each of us is willed, each of us is loved, each of us is necessary."

These words by Pope Benedict XVI remind us that all life is precious and that each of our lives resulted from a conscious act of God who loves us unconditionally. This conviction is at the heart of the IHM Mission. It is what impels each IHM sister to live a life of service responding to the emerging needs of the church and the world.

Taking time for reflection on all that we have been given opens each of us to the awe and wonder of the beauty of all creation which in turn directs all of our apostolic endeavors.

The information included in this Annual Report clearly testifies to the goodness and generosity of those who partner with us in recognizing our corporate commitment to proclaim the Gospel message in the Spirit of Jesus the Redeemer. It is a life of encounter of which Pope Francis never tires to remind us. You are an integral component of the daily mission of the IHM Congregation, and we know that this mission is strengthened as a direct result of your goodness and generosity.

During this past year, thirty-seven of our beloved sisters have completed their journey on earth. As we celebrate their life and good works, we are reminded that even in death we are all connected. They continue to pray for all of us daily. They now know the fullness of beauty and awe as they intercede on our behalf.

This Annual Report clearly illuminates the IHM connections that fuel the Congregation's desire to be in right relationship with all of God's creation. Each of us is a manifestation of a thought of God. Each of us has the dignity of a child of God. Each of us is loved unconditionally. Thank you for your encouragement, your support, and your participation in fostering the IHM Mission. We are in awe of the goodness of God and blessed with his boundless love which is manifested in our relationship with all our benefactors and friends.

With gratitude,

A handwritten signature in cursive script that reads "Sister Mary Ellen".

Dear Generous and Faithful Donors,

Compiling this annual report always leads us to utter prayerful words of amazement and gratitude! Your gifts in support of our mission, in memory of deceased loved ones and in honor of those you celebrate for various occasions and reasons, bespeaks a caring heart. Such caring mirrors the teaching of Pope Francis in his 2015 encyclical, entitled, *Laudato Si'* (Praise be to you). Our Holy Father chose the title because *Laudato Si'* are the first words of the "Canticle of the Sun" attributed to Saint Francis of Assisi, which begins "Be praised, my Lord, through all your creatures, Brother Sun and Sister Moon and..." Through this encyclical, Pope Francis provides a magnificent meditation but, even more, a challenging call to care about and for the earth, our common home, and all God's creation that share it.

The IHM sisters have pledged to take up our Holy Father's call. We hope the interspersed quotes throughout this report will serve as inspiration and guide for many more to implement his invitation to realize anew the gifts of creation and our responsibility to treasure them. As we all do this, our *Laudato Si'* prayer may sound like, "Be praised, my Lord for the wonder of the ocean and the mountains I saw on vacation; Be praised for the flowers in my garden and the birds that visit there; Be praised for my family, friends and people who help and care for me; Be praised for those who need my help."

Be assured that we IHMs and the Mission Advancement team say, "Be praised, my Lord, for each one mentioned in this report."

In praise and gratitude,

A handwritten signature in cursive script that reads "Sister Jeannine".

SISTER BARBARA MARIA BAMBERGER

Entered Eternal Life 4.5.22

Sister Barbara was an accomplished musician, artist, seamstress, and songwriter. I first met Sister shortly after my mother, Pauline Muller, told me that she was marrying Hiram Bamberger.

Sister was called Barbara by the adults and Sister Barbara by

the 23 grandchildren in our family. Barbara was an important part of every family gathering. She knew the boyfriends and girlfriends of the grandchildren and was up to date on all the important events such as engagements, weddings, christenings, First Communions, Confirmations, graduations, and funerals.

She was an active player in our annual Yankee swap at Christmas and loved the time she had to sled down the hill to get to the party. Barbara went to all our family reunions even though they were sometimes held in Minnesota. There she became great friends with Mary Ann Muller and visited her often.

When we heard Barbara was at Paoli Hospital, my daughter rushed to be at her side. I really believe the Holy Spirit meant for Barbara to be a part of our family.

Robert Muller

I have known Sister Barbara, sometimes called Bambi, since our novitiate in 1960. She played guitar and I sang with our “bands.” Barbara was an exceptional musician, and sometimes a composer and director of shows – who could forget her involvement in Camilla’s 25th Anniversary Celebration?

Barbara taught in elementary and secondary schools and was also an instructor in Immaculata’s summer school. Her heart was always in liturgy, so being one of the first of several sisters to study at Notre Dame’s Liturgy Center was the “icing on the cake.” She also served in the Office of Worship for the Archdiocese of Philadelphia for many years. Her creativity, insight, and knowledge of the liturgy were instrumental in her serving at several parishes in New Jersey and Pennsylvania.

During her time at Camilla, she put her energies into creating an environment for worship – from the music to flower arranging to bringing the Eucharist to the sick. This was in addition to her duties as seamstress. What I, and so many others remember about Barbara, was her loving concern for the sisters, especially her friend, Sister Helen Maureen. Barbara’s hymn, “The Journey,” sums up her life in the Spirit.

SISTER MARIE LORRAINE BRUNO

Entered Eternal Life 12.29.21

Sister Marie Lorraine grew up in a loving home. She enjoyed the special times she shared with her family especially her father whom she said “spoiled her” by frequently taking her to the opera. There, she was exposed to a world unlike the brick row homes

and concrete sidewalks in her South Philadelphia neighborhood.

She was proud of her family particularly her brother who became a successful lawyer representing personal injury victims. She had a close relationship with her nieces and nephews. One of her favorite stories was when the postman delivered Valentine’s Day chocolates from them. Instead of tissue paper, the packing material was toilet paper that just kept getting longer and longer with a note from their “club” listing each niece and nephew with their accompanying titles – president, vice president, secretary, and chairmen.

As her nieces and nephews grew, married, and started their own families, she made the effort to get to know new family members and learn their interests and life events. This always made them feel accepted.

She made sure we understood that the good nature in our family was a sign of strength. “Never mistake kindness for weakness,” she always said. She was the prayer warrior of the family asking us for special intentions and reminding us that she was “always praying for all the Brunos.”

In later years, she renewed her interest in opera by attending Opera Night at her nephew’s restaurant. There she would be, raised glass, raised voice, swaying with the music with a festive smile, feeling spoiled again.

In the Bruno family, she will forever be remembered for her presence at family gatherings and for saying grace before meals. It was important to her to be inclusive in her thankfulness for the gathering of family, new family members, old friends, new friends, those who did the shopping, the preparations, the cooking, and always mindful of those less fortunate.

It was her quiet way, her humility, clever wit, passion for the Phillies, and her interests and concerns that she shared with us that we now carry forward as a part of us.

SISTER REGINA FIDELIS COLAVECHIO

Entered Eternal Life 5.3.22

Sister Regina Fidelis (affectionately known as Sister Anna to family) was the youngest of five siblings who lost their father at an early age. Despite their loss, Sister Anna's mother, Catherine, instilled in all of her children an abiding love of God

and the Catholic church. Two of her brothers became Catholic priests while Anna and her sister, Eileen, joined the IHM religious order.

Sister Anna loved teaching and was generous in giving of herself. She enjoyed crafting and lovingly gifted friends and members of the family with homemade needle crafts like nativity sets. Unfortunately, arthritis eventually prevented her from continuing her crafting. Family was important to Sister Anna and when an opportunity presented itself, she would stop

at home for a short visit when driving others to appointments in and around the South Philadelphia area. She was proud of both her Irish and Italian heritage and kept in touch with extended family in Ireland.

Sister Anna enjoyed music, singing (she had a melodious voice) and playing the piano and guitar. Many a time when she visited our home and brought her guitar, her music and singing filled the house. I (Anna Barr) had the honor of having Sister Anna sing at my wedding making my special day even more memorable and intimate.

Sister Anna was an avid follower of the Philadelphia Phillies and Eagles reveling in their wins and championships. When she and all her siblings got together it was a gabfest reminiscing down memory lane. Now that all of the siblings are together again, the Phillies and Eagles have their own heavenly cheering section.

SISTER M. PATRICIA ANNE CONSIDINE

(SISTER M. JOSEPH PATRICE)

Entered Eternal Life 4.10.22

Sister Patricia Anne Considine was born in Philadelphia into a devout Catholic family during the Great Depression. She was the middle child and was predeceased by her siblings. She was affectionately

known as "Aunt Tish" to her niece, five nephews, and many grandnieces and grandnephews in the Higgins family.

Aunt Tish first announced an interest in a religious vocation in second grade! Eventually, she resolved to pursue her religious vocation after graduating from high school in 1951. However, that plan was delayed when she took a job with AT&T after high school to help support her father when he became ill and lost his job.

Aunt Tish's first assignment was St. Monica's in Philadelphia as an elementary school teacher in the early 1960s. That was followed by many different assignments including principal at St. Martin of Tours, and Vice Principal at St. Cecilia, St. Anselm,

St. Aloysius Academy, and St. Pius X. She was admired and respected by students, parents, peers, and pastors wherever she was assigned. Her final assignment was Camilla Hall in 2014.

Aunt Tish possessed many talents – leadership, organization, managerial, teaching, human resources – but she was hesitant to accept expressions of admiration or praise. It was almost as if she didn't perceive herself in admirers' descriptions.

Anyone who knew Aunt Tish will recognize at least some of the following: she loved to party and have a good time; she enjoyed spending relaxing days at the Jersey shore and taking day trips to Philadelphia, New York and Lancaster; she found crocheting relaxing; she was extremely witty and loved to play pranks on people; she never "dashed" anywhere (despite her fervent claims otherwise); she enjoyed baking and was a very good baker (her favorite food group was chocolate and she never met a piece of chocolate she didn't love); and her post-dinner conversations were low key, yet at times inspirational.

Aunt Tish was very loyal to friends and family. She was reliable, dependable, and sincere. She lived an admirable and heroic life of service to others as a joyful bearer of God's redeeming love.

SISTER M. ANN COYLE

(SISTER MARIE PHILIP)

Entered Eternal Life 6.30.22

One of my earliest memories of Sister Marie Philip, known to our family as Aunt Nancy, was the day she left Bucknell Street in South Philadelphia with all her items loaded into a black trunk

to join the Sisters, Servants of the Immaculate Heart of Mary. Down the street, the Heinze Family was doing the same for their daughter, Rosalie, who would become Sr. Miriam Robert. The road leading to this day was not without its challenges.

When Nancy was a teenager, her mother died. She knew she was needed at home by her father, her brother, Frank, and her younger sister, Betty. This burden was relieved when my parents and I moved into my grandfather's home.

Her father was extremely proud of her decision to join the Congregation and remained so all his life. Her brother, Frank would drive us on Sundays to wherever she was stationed. I have a vague memory of Bridgeport but strong memories of St. Monica's and Immaculata.

Nancy was the first in our family to pursue higher education. She earned a master's degree in Economics from Temple University and became a teacher at Immaculata University. What an accomplishment! We visited her there often.

She was always thinking of our families including the time she arranged for a VIP tour of the White House through a former student. My children had the opportunity to be in the press room pretending to answer questions at the podium with the White House seal on it. What a thrill it was to see the Oval Office where so much history transpired! She planned this trip for us despite the fact that later that weekend was the interment for her brother, Jim, at Arlington National Cemetery. There we watched his flag-draped casket pulled to his final resting place by a team of Army horses.

Our entire family was aware of her strong personality and her positions on current events. We always knew where she stood on the issues of the day.

It was comforting for us to know how happy and content Nancy was in her last months at Camilla Hall. She often spoke of the wonderful treatment she received there. We are grateful for her presence in our lives and thankful to her for her influence on the students she taught.

Rest in Peace, Aunt Nancy.

SISTER MARY E. COYLE

(SISTER M. JAMES ANDREW)

Entered Eternal Life 5.25.22

Beyond being a daughter, sister, auntie, and professional woman, Mary Beth was a gifted artisan. She was a seamstress and made many of her own clothes as a teenager and later lovingly sewed wedding gowns,

First Communion dresses, and princess dresses for her nieces. Christmas trees throughout the Coyle family were adorned each year with snowflakes, crocheted by Mary Beth, even when her hands were in pain. Mary Beth gave of her talents and her love.

Mary Beth was a faithful friend and confidante. One could count on her to be there when needed, and she listened with love and without judgement to all stories and secrets. Her sister, Maggie, said it best, "...she knew all of our darkest secrets and in return gave us nothing but unconditional love and support. She was creative, compassionate, and everyone loved her."

She had a passion for education and taught in elementary

schools throughout New Jersey, Pennsylvania, and Virginia. She also served in the field of religious education in several parishes and in the diocese of Camden where she was the Director of Children's Catechesis. Most recently, Mary Beth worked part time in the adult faith formation program at St. Simon and Jude Parish in West Chester and was a member of the Apostolate of Prayer for Camilla Hall.

The past couple of years were particularly hard for Mary Beth. In early March of 2020, she was admitted to Camilla Hall after surgery to repair a broken leg. As COVID brought on an international public health crisis and national lockdown, Sister Mary Beth was cut off from physical contact with friends and family, making her recovery ever the more challenging. Weekly Coyle family Zoom calls, and regular deliveries from Amazon and FTD, sustained her until the vaccine allowed for family visitations. Declining health, exacerbated by a chronic autoimmune disorder, prevented her from returning to parish life and to her family and ultimately led to her passing.

Sister Mary Beth will be missed, but she has left an enduring legacy and made an indelible impact on the world. She lived the Gospel, loved her family and religious communities, and enriched the lives of her students by sharing her love of God and the church.

SISTER MARITA PATRICK DEVLIN

Entered Eternal Life 11.15.21

Sister Marita Patrick Devlin, named Mary Teresa, was known in our family as Aunt Baba. Our brother, Joe, couldn't say her name so instead he called her Baba. Aunt Baba was our mother's sister, one of four children born to Patrick and Mary Devlin in the coal region of

Pennsylvania. Family was important to Aunt Baba, and we loved visiting with her, whether at our home or in the convent.

When we were children, Aunt Baba would often visit us in Wilmington, Delaware, and our neighborhood friends looked forward to playing baseball with her. We still talk about the times when she ran bases with her veil flying in the wind. Trivia was a strength for Baba as her fellow sisters reminded us at her service.

COVID made it difficult to visit Aunt Baba. However, we cherished celebrating her 90th birthday in September of 2020 when we were able to visit her at Camilla. Many of her nieces, nephews and great niece and nephews joined her on the patio with balloons, flowers and a beautiful photobook to provide

memories of her life. When planning, she was quick to tell us, "be sure you bring cupcakes for everyone at Camilla" – which we did!

Aunt Baba was known for her kind, gentle heart, deep abiding faith, generosity of spirit, and quick wit. "Patrick" loved teaching, working with children, and appreciated whatever life brought her way. She was thrilled to have the opportunity to travel to the Vatican, to study in Kalamazoo, and for the many pilgrimages she was able to attend. Her faith and love of God was immeasurable.

Our family wants to thank the Sisters of IHM for the care given to "Patrick." She loved her vocation and was grateful for her caregivers at Camilla. We are especially grateful for allowing Aunt Baba to visit our mother on her deathbed in 2019. It meant so much to her and to us that Aunt Baba and our mother were able to pray together for their final goodbye.

God bless you, Aunt Baba.

SISTER MARIANNE EVANS

(SISTER M. JAMES RITA)

Entered Eternal Life 1.30.22

Sister Marianne was the oldest girl in a family of four children. My brother, Jim, was the oldest and only boy in the family. I followed Marianne and then our youngest sister, Helene. In between Helene and I, our mom had a still birth, our brother

Leonard, and then a miscarriage. We were a very ordinary family. We grew up in West Philadelphia, in a tiny row house lined street, with a million other kids our age. At least it seemed like there were a million. Our dad was a factory worker for the DuPont Company and our mom was a stay-at-home mom.

Marianne and I, along with our brother, attended Most Blessed Sacrament School. Our family moved to Drexel Hill in 1961. Marianne attended Archbishop Prendergast High School for girls and graduated in 1965. It was during her senior year that Marianne applied to enter the Sisters, Servants of the Immaculate Heart of Mary, and upon her physical, her kidney disease was

discovered. My parents were told she would need a transplant in a few years. Her dreams of becoming a nun appeared to be over.

Marianne persevered and eventually she was accepted into the Congregation. She served in missions all over the five counties. At the age of 50, she had a transplant, a kidney given to her by our niece, Elisa. This gift gave Marianne 24 more years of a good life. She continued to serve the order happily. But the place she loved above all was her summers working in the kitchen at Villa Maria by the Sea. She loved that summer assignment and cherished the friendships she formed. Her last assignment was at St. Laurence in Upper Darby where she was the librarian. It was special because I also taught there, and it was fun being in the same building. On January 30, fittingly surrounded by her IHM sisters, Marianne lost her final health battle due to COVID. Our family was and still is heartbroken, but we know she is happy and at peace in the arms of our Lord.

SISTER MARY WINIFRED FEENEY

(SISTER MARIA JOSEPH)

Entered Eternal Life 2.5.22

If anyone was born to be a nun it was my sister, Mary Winifred Feeney. Named after her maternal grandparents, “Winnie” always knew what she was going to do with her life. She never discussed it much and did not act overly

religious but we all just knew. I know the family would have been shocked if she had not entered the convent. I do not think any other option entered her mind.

She attended St. John the Baptist in Manayunk and Hallahan High School. She loved school and it showed in her grades. She was a quiet person who didn’t show her emotions much but had a good sense of humor. One story always made her laugh. When she was close to graduating high school, we had two sisters come to dinner. Win gave Dad the responsibility of saying grace before meals, which he had never done before. In preparation, he wrote it on a piece of paper and placed it on his lap. He did not foresee that the sisters would stand up for grace.

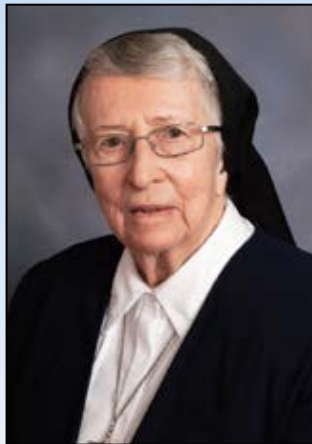

As he stood, the paper floated to the floor. He had no choice but to plunge ahead with a jumble of grace before meals, a Hail Mary, and an Act of Contrition. Win stared wide-eyed. I thought this might be a disqualification for the convent, but the sisters just said “Amen.” After high school, Win entered the novitiate.

She was happy with her decision and her life. I never saw her angry with anyone (except me from ages four through 12). I never heard her complain about anything (except when Mom made her eat lima beans). She loved the shore, visiting national parks, Bobby Rydell, Lawrence of Arabia, butterscotch krimpets, and the work she did especially at the Literacy Center. But foremost she loved the community of The Sisters, Servants of the Immaculate Heart of Mary.

After Win was born to eternal life, I was handed a box a little bigger than a shoebox. It contained all her possessions. I was struck by it given all the “stuff” I had accumulated, but I knew Win had taken her real possessions with her.

Rest in peace good and faithful servant.

John Feeney

SISTER JOSEPH MARION GALLAGHER

Entered Eternal Life 8.7.21

Each of us is a work of art, God’s creation, a life to be lived for the greater good.

Sister Joseph Marion, IHM was born into the Gallagher clan and was beloved by so many, by the McDermott family too, for nearly 95 years.

Consecrated in a life devoted to Our Lord Jesus Christ, Sister Joseph Marion was a masterpiece – kind, precise, tenacious, generous, and well-informed. She took her vows in mid-August 1948 and served in so many ways particularly by teaching children, young and old, English, Latin, science, and the Word of God.

An image comes to mind – Villa Maria by the Sea which opened its doors in 1937. Each summer included retreats, gift shop and candy shop stints, beach time, chilled juices and snacks in the refectory, and chapel prayers. There were visits on the

screened-in porch, sea breezes, and pleasant chats about the barrier mounds of vegetation and about former Mayor Suzanne Walter’s initiative to reinvigorate the dunes.

Sister spent her twilight years at Camilla Hall. To family, friends, and sister-colleagues, she would always say, “You are all so good to me!” On August 10, we assembled to bid goodbye, just days before the anniversary of Sister’s profession long-ago.

In Stone Harbor, on the day of Sister’s passing, my husband and I walked to 111th Street. Nun’s Beach will never be the same, once recognized by the 1937 structure, now gone, succumbed to the wrecking ball, with a new Villa in the works.

Now, the vacant lot reminds us that Villa Maria came down as Sister drifted away, gone too in early August. Both no longer visible to the human eye but always here to envision, to remember what our Divine Creator has left behind.

It is called by scholars “a constitutive blank,” the viewer is intended to supply what is not there. Not for us to see but to imagine Sister Joseph Marion at peace with Our Lord, and to celebrate her as a masterpiece, God’s work of art.

SISTER MARIA ANTONIETA GARCIA NICOLETTI

Entered Eternal Life 10.31.21

Sister Maria Antonieta was the only girl between her two brothers. In 1959, shortly after her graduation from Colegio Villa Maria, La Planicie, Peru, and university studies, she traveled to West Chester to enter the

Congregation. Sister's younger brother, Doctor Lucho, moved to Canada to practice medicine but passed away before he was able to raise his young children. Her brother Pedro, whom she spoke of often, survives her and lives in Lima with his wife, three sons and their families.

In her ministry, Sister Antonieta taught religion and English for many years in elementary and high schools in North and South America and spent six years as principal. She held degrees from Catholic University of Peru, Immaculata University, and the Universidad de Villanueva in Spain. She achieved a great deal in her apostolic service but will be remembered most as

a woman of prayer with an incredible devotion and fidelity to preparing students for the reception of the Sacraments.

In recent years, until the age of 82, Sister was active in Colegio Inmaculado Corazon (a school for boys in Miraflores, Peru) and was able to exert a constant, courteous, and caring influence upon all staff members, students, and their families. She will be remembered as a good student and avid reader, a prayerful charismatic, an organized economist, a keen shopper, and a faithful friend.

Sister Antonieta loved and lived life to the fullest. Her love for God increased her desire to meet him face to face. May Sister Maria Antonieta enjoy the eternal bliss that she so long and wholeheartedly awaited.

Sister Antonieta, we are saddened by the void which you have left, but we rejoice with you! Enjoy your new adventure and intercede for each of us. The Congregation, your family, and all who knew you know that it will never be the same without you.

Sister Christine Virginia O'Donnell, IHM

SISTER CLAUDINE M. HAGERTY

(SISTER MARIA CLAUDIA)

Entered Eternal Life 8.30.21

Our Aunt Claudie was ONE OF THE BEST! She was very fun loving and yet gracious. Her sense of humor was extraordinary, dry but always well received, and no words were ever wasted. She always had the ability to bring smiles to our faces. She and my

brother, Bill, would throw barbs back and forth. Aunt Claudie always won of course, but it was amusing to the rest of us to see what was coming next.

Our family always looked forward to gathering with Aunt Claudie. My sister-in-law always made sure there were plenty of appetizers when we gathered. Aunt Claudie loved to see what the Hagerty family would come up with next. Vanilla ice cream with raspberries was one of the concoctions she enjoyed.

She always took an interest in each and every one of us. Always a good listener and advisor, she was there to help in such an unobtrusive manner. If there was a problem that you needed help with, she would ask questions, the right questions,

to get you to realize the solution. It was advice without advising.

Unfortunately, it wasn't until later, when we got older that we, the nieces and nephews, took an interest in her stories. She gave us insight into our family ancestry and stories of when she and her brothers, my father included, were growing up. What a life, rich in spirit and heart; a life well lived. She chose her vocation well.

Education was her goal. Teaching and helping others were the center of her life. It was humbling to see how many people she had really touched in her life. There was a book authored by one of her students in her belongings. The inscription written to her was one of the most beautiful I'd ever read. It really showed how Aunt Claudie, Sister Claudine, had such a positive impact on her students.

We are very blessed to have had our Aunt Claudie in our family and in our lives. She made our lives better, more well-rounded. Now, her spirit lives in our hearts.

Maureen DeLorenzo

SISTER ANGELE REGINA HEALY

Entered Eternal Life 6.6.22

Sister Angele Regina, born Helen Healy, after her mother, was also known with affection as Aunt Pudge to her siblings and many nieces and nephews. Born and raised in South Philadelphia, she had a devotion to God and to teaching. She entered the Immaculate Heart of Mary sisters

and soon after began teaching elementary school in various parishes in Pennsylvania.

She loved her family and enjoyed many holiday gatherings with her nieces and nephews. She loved the shore, spending many days in Sea Isle with her sisters, Sis and Betty, and their families and other family members at the beaches of South Jersey. She loved traveling and went on trips with her brother Tom's family to California, Disneyland, and a cruise to Canada.

One of her favorite past times was shopping! She was a great shopper and loved to get good deals. She always dressed

impeccably and loved to get her hair cut and colored. She was very young at heart and fun to be with. We loved those shopping trips!

Aunt Pudge was always willing to lend a hand at family functions and was really good at cleaning and organizing always with a cheerful smile and a joke or two! She always managed to make others feel special with her words of wisdom and her kindness. She was so pleasant to be around.

She had many students and families that treasured her for her wonderful teaching and friendly demeanor. She was funny, easy going and very supportive of everyone she met. Her weekly phone calls to "catch up" and find out what was going on with the kids will always be a fond memory for us.

She said her daily prayers and loved God and her quiet time with Him.

Aunt Pudge was a blessing to her family and friends and will be greatly missed by fellow sisters, her friends, and her nieces, nephews, and great nieces and nephews.

Heaven is a happier place now that she is there.

SISTER MARIA PATRIS HOGAN

Entered Eternal Life 2.11.22

Sister Maria Patris Hogan, born Patricia Anne, was our "Aunt Pat." The youngest child of Irish immigrant, Edward Hogan, and his wife Anne, she was raised in Chester, PA along with her three siblings and four older orphaned cousins in a family characterized by strong

faith, hard work, helping others, and storytelling. Aunt Pat's sharp memory and sense of humor made for wonderful stories! She liked to dance too! Family and friends always got a big hug and kiss from her. She always inquired about our families, and we could always count on her prayers.

Aunt Pat's endless energy, ebullient personality, bright smile, and legendary optimism served her well in the classroom as a teacher and in her leadership roles as principal, superior, and as part of the formative communities for novices and postulants. For 25 years, she opened the retreat house in Stone Harbor for the first half of the summer and served as superior. Her creative approach with those in her charge produced positive outcomes.

Aunt Pat served six years in Chile and even did a zip-line

there! She sent us a package of chocolate-covered grasshoppers and ants from Chile which we tried though not all were consumed.

After returning from Chile, Aunt Pat taught second grade at Sacred Heart School but was asked to move up to seventh grade where she taught 75 girls in one room. Sister Helen Loretta was teaching the boys and thus began their life-long friendship. Aunt Pat and her sister, Mary, enjoyed a trip to Europe with Sister Helen and her family in 1987. Sister Bernard Agnes was also one of Aunt Pat's dearest friends since 1971.

Aunt Pat loved to make candy. Chocolate-covered pretzels and other treats were a big hit with the Community, family, and friends. The sale of candy, always in high demand, became a source of revenue for the Congregation. She was helped by JoAnn McAdams, Diane Roberts, and some of the sisters. She was still making candy at 93!

Her joy in serving God for 73 years remains her biggest legacy. Per the candy labels, there was "Nun Better!"

SISTER MARY LORRAINE HOLZMAN

Entered Eternal Life 11.17.21

There is so much I could say about my dear friend, Sister Lorraine. She loved life, her religious vocation, her family, her mission as a religious educator, principal, and Director of Religious Education. We enjoyed many adventures together. She lived life to the fullest until God called her home.

Sister Kathy Benham, IHM

When I think of Sister Lorraine, I think of the Bible passage, 'A faithful friend is a sturdy shelter, she who finds one finds a treasure' (Sirach 6:14). My life is enriched for having her as a friend, a treasure.

Sister Carolyn Shomper, IHM

She was a tremendous example of faith. Her acceptance of and cooperation with God's will is an example for me and so many who have been blessed to be beneficiaries of her vocation to religious life.

Most Reverend Alfred A. Schlert

She had a feisty and fiery nature which empowered me as a woman theologian engaged in parish ministry.

Anita Vincent

Sister Lorraine was a principal who was present to the entire school. Her sense of humor was infectious. Her long battle with her illness showed her courage and perseverance.

Ann Clark

She cared deeply and gave 100 percent of herself to everyone.

Ronnie Walker

I was in the RCIA program at St Theresa's for six years and eventually became part of the team. Although a Catholic for over 50 years, I had many questions about my faith. Sister Lorraine answered all my questions. The more I learned from her, the more I fell in love with my Catholic faith.

Pricillia Dole

My friendship with Sister Lorraine started over 15 years ago teaching PREP. She had an amazing attitude. Her mantra was "God is good" no matter what she was experiencing. I loved her giggle, her smile, her acceptance of me (a scrappy Jersey girl!), the way she loved the kids, and her wonderful relationship with her great niece, Layla. I miss her every single day. She was one of the sweetest, kindest, funniest, and most devoted people I have ever had the pleasure of knowing. Her loss has left a huge hole in my life.

SISTER M. CLAIRE HUTCHINSON

(SISTER M. AGNES CECILIA)

Entered Eternal Life 11.2.21

Catherine Claire Hutchinson was born in 1923 in Newtown, Pennsylvania. She attended St. Andrew's Catholic two-room elementary school with five girls in her class. Her high school years were spent at Newtown High School.

In 1946, Claire joined the Congregation of the Immaculate Heart of Mary (IHM). She celebrated her 50th Jubilee on entering the convent with a Mass at St. Andrew's Catholic Church in her hometown of Newtown. Close to 200 guests attended the reception following the mass including her Irish cousins who had traveled from Belfast to attend. Irish dancers and IHM sisters provided the music.

Claire taught at many schools and spent 23 years at St. Matthew's school in Philadelphia, Pennsylvania. While still

living there, she retired from her duties as a classroom teacher and began a new ministry as a teacher of 15 classes of religion, a facilitator of family Mass, an RCIA team member, and a clerical assistant to her dear friend, Sister Patricia Springer, at the Office of Catholic Education in Philadelphia.

She always had a love of music and would be seen rolling a cart down the halls of the school to hold her keyboard which she used to make music part of teaching her religious class. When she left to go to live at the IHM retirement home at Camilla Hall, she received a glowing commendation from St. Matthew School not just for her teaching ability but also for her involvement as an invaluable member of the parish. As part of that interaction, she helped coordinate gathering after the family Mass for donuts, juice, and coffee in the auditorium.

At Camilla, she kept busy assisting in the delivery of mail to the other residents. She was proficient in using the computer and enjoyed making cards on her laptop, never forgetting to send cards for any occasion. She liked reading books on her Nook and watching sports on television.

She was a very special daughter, sister, aunt, and member of the IHM community of sisters.

Ginny Carver, Marie Hutchinson, and Ann Hendricks

SISTER KATHLEEN DOLORES KEENAN

Entered Eternal Life 4.15.22

Sister Kathleen Dolores Keenan, known as Aunt Dot to her 29 nieces and nephews and many grands, was a gift from heaven. She loved the Lord and expressed love everyday through her kindness, compassion, positive attitude, and dedication to his children.

Aunt Dot was the youngest of seven children, and her brother Walt was an Archdiocesan priest. She was family-oriented and enjoyed spending time with the Keenan, Whitaker and Kohler families. She entered the IHM Congregation after high school graduation in August 1947 and dedicated the next 75 years to teaching children and serving people. She was a whiz at math and she loved music especially the violin and piano. The parish community where she served benefited greatly from her talents.

She taught elementary school for 51 years and was a principal for nine years. She was devoted to teaching and guiding her students. She had a knack for recognizing students' academic and music potential or struggle and provided enrichment or extra

support if needed. Her efforts paid dividends when her students were awarded high school scholarships thanks to her tutoring.

Aunt Dot taught at Holy Trinity in Morrisville, NJ, South America (Lima, Peru), St. Peter in Reading, PA, St. John Bosco in Willow Grove, PA, and St. Teresa in Runnemede, NJ. While teaching in South America, she organized and produced near-Broadway caliber shows which were the talk of the town. Upon returning to the U.S., she continued to assist with musical productions at the parish schools and was always ready to roll-up her sleeves and work on a worthwhile project. She was tireless in her efforts to improve everything in her path.

Aunt Dot was a Eucharistic minister taking Holy Communion to the sick and elderly people of her parishes and often bringing along candy or a donut to brighten their day. She always went the extra mile to make someone feel special. Her words were always kind, encouraging and uplifting. She saw the best in people which inspired them to become better people. Her optimistic attitude permeated everything she did.

We are confident that when Aunt Dot arrived at the gates of heaven, she heard her Lord say, "Well done, good and faithful servant."

SISTER MARY K. KING (SISTER MARY KEVIN)

Entered Eternal Life 3.28.22

Sister Mary comes from a Philadelphia family of seven children. Her family has roots in Pennsylvania dating back 350 years and before that to a royal court in England. While Mary spent her youth in West Philadelphia, upon entering the

convent, she completed her college education and was stationed in Connecticut, Virginia, Georgia, Pennsylvania, and Peru.

The life of her siblings would bring Mary forty-two nieces and nephews. She knew all of them by name and circumstances. Sometimes we didn't understand why she could not be with us on holidays, but as we grew older, we became vaguely familiar with her other family – the Sisters of IHM, with whom she lived and worked and prayed.

Some of us were especially close to her (although we know she had some favorites). Many of us took her constant spiritual presence in our lives for granted, but she was always there for every one of us in the fun times and especially in the sad times.

She liked to have fun, and she loved her extended family. She had the pleasure of knowing the spouses and children of her nieces and nephews, along with their children, and they all knew her.

What we didn't know was that she had a job, and it was not an easy job – being a nun, working in a school, being transferred, and being away from your birth family. She didn't seek any rewards in this life of service as an IHM Sister. Her life spoke for the rewards of another world. We know that she expects us all to meet her in heaven.

Mary loved her IHM family. Many of us did not have a deep understanding of this connection, however, upon her illness and passing, we did get a glimpse into her beautiful friendships, some of them lifelong, and into her life of service to God and others. Watching her fellow IHM sisters care for her and pray for her was a blessing reserved for a king – Sister Mary King. Our family is grateful.

SISTER DOLORES KRAEMER

(SISTER MICHAEL DOLORES)

Entered Eternal Life 8.9.21

Dolores Kraemer was the oldest child of Bertha and Walter Kraemer of the Mayfair neighborhood of Philadelphia. Her younger siblings were Barbara and me. Our father worked in the textile industry.

We moved to South Carolina, Virginia, and Massachusetts and eventually back to Mayfair. Wherever we were, I remember her keeping busy with a job at Woolworth's, playing a musical instrument, learning to drive, and mastering the morning coffee to suit my dad.

Dolores graduated from Nazareth Academy in 1949 and, to my surprise, entered the convent in 1950. After Profession of Vows, she taught in the Philadelphia area and in Miami, Florida. Classes were large in those days, but I remember that she was dedicated to the education of young children and seemed quite able to deal with their problems. Later, she was assigned to some administrative roles, but her first priority was always teaching.

Dolores always had artistic talents and pastel paintings were

her forte. But what surprised me was when she told me of her interest in professional sports. We talked often then of the ups and downs of the Eagles and the Phillies. She knew players' names and positions and the quality of the teams.

As she aged and her health started to decline, Dolores found time to take care of our dad. He taught her how to make afternoon tea and how to fix appliances around the house. She entered Camilla Hall around 2008 and was happy there. My wife and I enjoyed our many turnpike drives from Pittsburgh to Malvern. We took my sister shopping and to dinner at her favorite restaurant, The Ship Inn. She had an upbeat personality when with us, but nature was taking its toll. Fortunately, she was surrounded by good friends, like Sister Loretta Dinda at Camilla Hall, where her life was filled with the joys of helping others. The care she received at Camilla was outstanding.

Sister Dolores' life was defined by love of teaching, love of Church, love of colleagues and family. I miss our visits and phone calls, but I (and many others) have wonderful memories to cherish.

SISTER M. ELIZABETH ANN LEMNAH

(SISTER M. GERALD JOSEPH)

Entered Eternal Life 10.11.21

Sister Gerald Joseph, Gerry, Sister Elizabeth Ann, was always Betty Ann to us. The second child born to Gordon and Verna Lemnah on July 20, 1944, Betty

Ann attended St. John School in McLean, Virginia. In eighth grade, she was elected May Queen and was delighted to have the honor of crowning our Blessed Mother. After grade school, she attended Bishop Denis J. O'Connell High School in Arlington, Virginia and graduated in 1963.

Betty Ann never considered anyone a stranger. Sporting a huge smile, pig tails, and ribbons in her younger years, she would walk up to children and say, "Hi, my name is Betty Ann, what's yours?" She was the consummate teacher beginning at the age of eight showing us younger siblings how to color ("take care to always stay inside the lines"), write our names ("very neatly"), tie our shoes ("just so"), or ride a bike ("take care to

hold on!"), all with love and ultimate patience. She played the accordion which was almost as large as she was. As a teen, she enjoyed friendships, babysitting, singing, listening to records, and dancing the jitterbug and the pony. Her smile and laughter filled a room.

Betty Ann's passion was to become an IHM sister. She loved and was devoted to her students, teaching first through third grade children until her retirement due to illness in May of 2011. From her first assignment in Norfolk, Virginia in 1966 to her last assignment in Annandale, Virginia in 2011, her enthusiasm to teach children was constant.

Betty Ann was the embodiment of kindness, understanding, and love; she was a beautiful soul. Our family was truly blessed by an angel.

We will always be grateful to all of the sisters and the staff at Camilla Hall for their loving care and support of our precious sister.

SISTER M. KATHLEEN THERESA MAGUIRE

(SISTER KATHLEEN
IMMACULATE)

Entered Eternal Life 8.17.21

No words can express how deeply we miss Aunt Cass. We are truly blessed to have experienced the joy she brought us and to have witnessed how humbly she served the Lord through her

vocation as an IHM sister.

Aunt Cass was raised in Bridgeport, Pennsylvania and attended St. Augustine School and West Catholic HS. She was proud of her hometown and made this known to all. She even received a proclamation from the mayor at her jubilee! She was the youngest child of John and Rose Maguire. She was close in age to her sister, Sister Marie Maguire. They spent lots of time together including a vacation to their beloved Ireland. At Camilla, Aunt Cass demonstrated her devotion to her sister spending every afternoon with her. Her heart was broken when Aunt Re was called to eternal life first. They may have been total opposites, but they complemented each other nicely, were best friends, followed in each other's footsteps, and were an example of the lifelong bond between sibling sisters.

Sister Kathleen was admired by all and affected those she met with her smile and welcoming ways. She had many assignments in Pennsylvania, New Jersey and Virginia. She was a dedicated teacher for years and later worked in pastoral ministry where her true calling was evident. Her time at Mercy Suburban was her favorite. At her farewell party, it was beautiful to see the gratefulness of the administration and co-workers for her service. She was devoted to the patients and had touched their lives. Many friendships were formed there.

Aunt Cass was also known for her craft skills especially in bow making. We made good use of these for family celebrations. She also loved shoe shopping, and if she couldn't find navy, she dyed them! We will always cherish her laugh, cheerful way, and the times we shared. She surely was a "cool" aunt, full of life, and fun to be around.

We are grateful for the care she received at Camilla and especially for those sisters who were by her side in her final days. Aunt Cass, we miss you and "...until we meet again may God hold you in the palm of his hand."

Guiliano families*

SISTER ROSEMARY MAGUIRE

(SISTER MARIE VIANNEY)

Entered Eternal Life 6.22.22

Sister Rosemary Maguire leaves a legacy of love that was filled with admiration, respect, gratitude, and humor for those who visited and cared for her so tenderly at Camilla Hall.

As an elementary school teacher in Arlington, Virginia, and the Philadelphia area, she especially enjoyed sharing the faith with little children.

Sister Rosemary was one of six Maguire children who grew up in a family of deep faith. Three of the siblings embraced religious life – her brothers, Brother Stephen Maguire, OCSO, and Rev. Robert E. Maguire, S.J., and Sister Rosemary who chose her religious name, Marie Vianney, because of her special devotion to praying for priestly vocations.

No stranger to health challenges for over 18 years, Sister Rosemary had difficulty with her vision, hearing, and mobility. Yet, despite her vision challenges, she had crocheted a blanket for

a great grandniece's child. Through it all, she always managed to keep her sense of humor, telling jokes, and doing small pranks, especially with priest friends.

She was a worrier about family and friends and spent many hours praying for them. She often spoke of the images that she had in her mind of the Holy Family and related how blessed she was to have Bertha, her sister-in-law, who was so loving, always in close contact with her, and who even named a child after her. She was also very close to her sister Betty, and whenever they would see each other, the joy on their faces was truly inspiring.

I presented Sister Rosemary with a quilt I made called "Linked Sisterhood" in honor of the love she had for the IHM Congregation and for her family. This was my gift to her as a visual testimony of her life and how she announced the wonders of God to all she met and how she graciously passed on her faith. It was a privilege to honor her in this way.

Sister Rosemary waited with patience, and she was the last of the Maguire siblings to join in the heavenly embrace.

My twenty-five years of treasured spiritual friendship with Rosemary will remain forever in my heart.

SISTER ANITA DOLORES MALLOY

Entered Eternal Life 10.6.21

Peg to her siblings and some friends, Aunt Sister Peggy to her nieces and nephews (and great nieces and nephews), and Sister Anita Dolores Malloy to her religious community, was one of the most amazing women we've ever known. She had a deep love for family and was always

available to anyone in need. Her calming style was peppered with a sense of humor which provided a different, relaxing perspective. Her always prayerful style comforted so many. She was overjoyed when she celebrated her 90th birthday in 2019 at Camilla Hall with most of her family and many of her friends.

Each family member received many of the beautiful Scherenschnitte (German paper cutting) pictures she created. These works of art were often shared with friends and sold to benefit the IHM community. She also enjoyed quilting baby blankets by hand, with family and friends often being the recipients of these treasured gifts. Many were sold, with the funds benefiting her religious community. Everything she did

was in the name and praise of her Lord, Jesus.

Never a proud woman, she did state that her most fulfilling mission was at St. Lucy School for the Blind. She spoke often of the children and how she treasured her time with them. Indeed, she kept in touch with many of her students from St. Lucy, as well as other schools, over the years. Some of these relationships lasted 70 years or more.

Although COVID restrictions kept her funeral small, her sister, Kathleen, was able to attend and the expressions of sympathy and support of others were many. Previous students, old friends, and fellow sisters offered Masses and prayers for Sister Peggy as well as for the family. One such woman was Sister's goddaughter, a relationship that has weathered 80 years and a true representation of Sister Anita's commitment to all she loved and the respect her friends and family had for her.

We do miss her dearly but know she is with the Lord she loved so much.

SISTER DOROTHY M. MAYER

(SISTER MARY ANNUNCIATA)

Entered Eternal Life 10.17.21

Dorothy was born on May 13, 1940, as the younger of two children. Adversity began early for her as her father passed away when she turned two years old. Her loving family pulled together as her aunt, uncle and their three

children moved in with her family of three. All five children remained very close; however, she had a special bond with her brother, Bill, who was nine years older. The two of them created havoc one day on the beach in Wildwood when they brought their pet mice, built them a castle to play in, and then left the mice to go for a swim. While in the water, they noticed the beachgoers all running towards the boards. Their little pets had climbed out of the castle!

Her ability to stay calm and focused pervaded everything she accomplished or was asked to do. She was deeply committed to her vocation as an IHM and loved her community. As a teacher

and principal, she commanded respect and gave respect to all her students and fellow teachers and enjoyed them immensely as well. Dorothy did all of this with a "no fuss, no muss" attitude.

To be one of Dorothy's friends or family was to be blessed. Her loyalty to us was beyond measure; she absolutely loved Christmas and would make us try to guess what she had gift wrapped. We did the same to her by putting a can of vegetables in the bottom of her gift to make it harder to guess.

Summer signaled the shore and riding the waves as often as she could manage it. This also included visiting with her cousin, Betty, who lived in Avalon. Driving with Dorothy was always an adventure. She loved getting lost and never worried about getting back. She accompanied Bill and me on many trips and enjoyed every minute.

She faced her final illness with calm and resolve. We miss her dearly but have so many beautiful memories of her spirit and love that we can't be sad. We know that Dorothy is with her loving God and organizing fun activities.

Her loving brother, Bill, and sister-in-law, Helen

SISTER ANN M. MCCURDY

(SISTER M. ST. KEVIN)

Entered Eternal Life 9.30.21

Ann grew up in Upper Darby. She was one of three sisters – Ann, Peggy, and Mary – and she followed in her sister Mary’s footsteps when she pronounced her First Vows on August 15, 1957. She wanted to join at age

18, but her father asked her to wait one year before entering the congregation. She waited patiently and entered the fall after she turned 19.

Growing up, Ann spent her summers in Wildwood with her family not far from where she would later spend time at Villa Maria by the Sea as an IHM sister. The daughter of an Irish immigrant and a Scottish immigrant, Ann was the first woman in her family to receive a college degree.

Ann was first a teacher. She loved her students, and they adored her. She taught at St. Monica, Philadelphia; Seven Dolors, Wyndmoor; St. Agnes, West Chester; Epiphany, Miami; St. Philomena, Lansdowne; Our Lady of Fatima, Secane; St. Aloysius Academy, Bryn Mawr; and St. David, Willow Grove.

She was principal at Immaculate Conception, Somerville, New Jersey, St. Monica, Philadelphia, and Queen of Peace, Coal Township. At one point she served as principal of three schools all at once.

Her funeral service was filled with students from years past who remembered Aunt Ann fondly as their favorite teacher. Her classrooms were filled with flower arrangements she made, hand-made decorations, and cozy rocking chairs and reading rugs which helped her students feel at-home.

Aunt Ann loved her nieces and nephews endlessly. She was always there to tease them, laugh with them (as is the McCurdy way), and be a shoulder to cry on when they needed it. She loved her fellow sisters and spoke often of her love for her “band” and her close friends like Sister Brenda and Sister Inky.

Aunt Ann would want us to remember that she was May Queen growing up; the fastest girl in the 100-meter dash in school; her name was spelled without an ‘e’; she loved the beach and being tan; she loved her hair so much she was relieved when wearing the habit’s bonnet was no longer required; and ultimately remembered as a loving aunt, the best teacher, and the dearest friend.

We miss you, Aunt Ann. We love you, and you are with us always.

SISTER MAUREEN LAWRENCE McDERMOTT

Entered Eternal Life 11.17.21

Sister Maureen Lawrence, (Mergie to all of us), was born on July 2, 1956 and was the daughter of Larry and Margaret McDermott. Larry Jr. was her big brother, and she was my little sister. As a child she was strong,

determined, and often willful. It was Larry who taught her how to ride a bike, and I would take her along on outings with friends.

She attended St. Gabriel Elementary School in South Philadelphia. From there, she went on to Archbishop Prendergast High School. It was there that she excelled in forensics. Upon graduation in 1974, she began her studies at Immaculata College. She was valedictorian of the Class of 1978.

She then worked for Colonial Penn Life Insurance Company. At that time, she announced to our family that she intended to

join the Sisters, Servants of the Immaculate Heart of Mary. It was somewhat of a surprise to our family but not unexpected.

As a member of the IHM Congregation, Margie had the opportunity to study at Fordham University where she received her PhD in Catholic Educational Leadership. She was a born teacher and educational leader. She served as a member of several faculties in the archdiocese. One of the latest was as principal of Bishop Shanahan High School. She, as principal, and Sister Regina Plunkett, accomplished much together for the student body. She then was given the opportunity by Bishop Michael Fitzgerald to serve as Superintendent of Secondary Schools and Special Education for the archdiocese. She was instrumental in guiding students, faculty, and staff safely through the pandemic. She is greatly missed!

May she rest in peace. Amen.

SISTER MARITA LOUISE MCGEE

Entered Eternal Life 2.11.22

Sister Marita Louise, daughter of Joseph and Louise McGee, was born into a family of three brothers and two sisters. When she was 13 years old, I was welcomed into the family, and she always called me Baby Brother Thom.

Louise attended St. Barnabas School in Southwest Philadelphia and then went on to West Catholic High School. It was in high school that Louise decided she wanted to be a nun. She entered the convent in 1948. She was sent to her first assignment in Arlington, Virginia. Her other assignments took her to many places ... Bellmawr, New Jersey; Yeadon; Tamaqua; back to Arlington where she was principal; back to the classroom (her first desire) in Secane, Brookhaven, Bryn Mawr, and on to Camilla Hall.

Growing up she was quite the tomboy especially with the game of baseball. She went on to become an avid sports fan of the Philadelphia teams, especially the Phillies and Eagles. Because of her knowledge and the super fan that she was, Louise was asked to be a guest speaker on oldies radio station 98.1 on

Monday mornings to talk about the Sunday football games and pick the winner of Monday Night Football. Being fortunate enough to be given tickets to the Super Bowl in 2005 from dear friends was the epitome of her passion for sports.

Louise had such a great love for her large McGee family. She made time for everybody and was always bouncing from house to house to visit and check in with everyone. She never saw a door she couldn't open. She was devoted to everyone and everything that she did which was so admirable and made her such a great role model to anyone that knew her. My sister was a unique treasure in the McGee family.

Louise touched so many people with her wisdom, faith, service, and zest for life. She now has the "best seat" to watch the games. Thank you, Louise...you will always be dearly loved and missed.

SISTER MARY CYRIL MEEHAN

Entered Eternal Life 10.16.21

We give praise to the Lord for the many ways Sister Mary Cyril cared so lovingly for the people she met on her life's journey. Her life was filled with joyous memories. She often shared stories of her family life capturing what it was like to be

born and raised in Shenandoah, Pennsylvania. How proud she was to be part of the historical legacy of the "Coal Regions!" The famous "Dorsey Brothers" from the Big Band Era came from her hometown, and she shared their ability to perform. Musical entertainment was a favorite pastime for her. She loved to dance the polka! As she celebrated her 100th birthday with some of the sisters about eight months before she died, Sister amazed us all by moving her feet and tapping out the beat of the lively song with her walker in hand.

Sister Cyril often told others how grateful she was to return to her birthplace after teaching for many years in other places in Pennsylvania and New Jersey. Sister's smile and sparkling eyes

caught the attention of so many when she lovingly recalled her many experiences in grade schools teaching God's little ones.

After finishing her assignment at Annunciation Convent in Shenandoah, she came to serve at Camilla Hall. Everyone noticed, even in her final days, how she kept on serving in simple ways – even when her physical condition was a bit diminished. During her last months here at Camilla, many nurses and staff members were touched by her gestures of kindness and gratitude as she continued to serve her neighboring sisters by turning down a bed or offering a kind word. She lovingly took on the role of a nursing assistant before retiring each evening. Up until her last days, Sister joined in community celebrations as if she were still the young lady from Shenandoah.

We like to imagine Sister Cyril's many family members who had already gone to their eternal reward welcoming Sister as she danced her way into heaven with her arms filled with loving deeds as a Joyful Bearer of Good News.

SISTER M. ELIZABETH JANE MURRAY

(SISTER VIRGO FIDELIS)

Entered Eternal Life 1.17.22

Sister M. Elizabeth Murray, also known as Sister Virgo Fidelis, Aunt Betty Jane, and “Chicken,” was born in Philadelphia, the youngest of six siblings. Her dad always referred to her as his “Little Angel.” To us “Angel,” at that time, was a bit of a stretch since she was always vivacious and up to something.

She loved, honored and was extremely protective of her parents and family members and with her unique power of persuasion pretty much ruled the household.

She totally enjoyed life, laughter, friends, neighbors, parties, dancing, and Philly cheese steaks.

But even with her strong sense and love of family, when her loving Lord called, she answered. He was her greatest love! She entered the novitiate shortly after graduation. Everyone who knew her was surprised. It was inconceivable! Friends, neighbors

and even family members started making bets on how soon she would return home.

She relished time spent with family and always expressed her joy and pride in all their accomplishments and provided caring support and devotion in their time of need.

She loved traveling and felt blessed to have visited Our Lady of Lourdes Shrine many years ago. She looked forward to her annual trips to Stone Harbor, Erie, and Florida with her dearest friend and faithful companion, Sister Suzanne Scattergood. They shared a special bond. Their love of travel and unique humor made them a joy to be with which caused my friends to refer to them as Thelma and Louise.

Her mild manner, warmth, humility, and life of service were the beautiful gifts she shared with thousands of first grade students and their parents as she educated and guided them for more than 50 years.

She shared these gifts, together with her infectious wit and love of life, with the Sisters at Camilla Hall as well.

I sincerely believe that when Jesus and Mary came to take her home, they welcomed her in their embrace while saying, “Well done our beautiful and faithful servant.”

We know she is watching over us and she will always be remembered with joy, love, and thanksgiving.

Veronica (Ronni) Rocco

SISTER MARIA CARMEN QUIROZ

Entered Eternal Life 10.1.21

Sister Maria Carmen Quiroz was a well known and loved Peruvian Sister. She and her two sisters were taught by the IHM Sisters in Villa Maria, Peru. Upon finishing, Zoila (later to be called Sr. Carmen) came to the states to enter the IHM Congregation.

She taught many years in her native Peru and in St. Michael, Annandale, Virginia. In Peru, she served as superior, principal, and teacher. Her students loved her because she was warm and caring yet firm in her teaching. After school, she taught Vespertina classes for young women who worked as servants in private homes. Each week, she taught boys in a reform school. They eagerly looked forward to her bible classes because she supplemented these with drawings and crayons, which greatly appealed to youngsters not having these simple joys. She appealed to a parents’ association to have the dilapidated interior of the reform school painted, and at Christmas, these parents served a holiday breakfast and gave

practical presents to the boys, creating a most memorable day for them.

Physically Carmen was small in stature but by no means did she live a small existence. Her spirit, heart, and life filled a room with the unconditional love of Jesus that she shared with all whom she met. Regardless of who you were, you felt the presence of Jesus. The rosary was often seen in Carmen’s hands. Friends and previous students would call her for prayers. Later, she would remind them that she was praying for their special intentions. She built wonderful connections with people.

My nephew recalled how lucky the family was to have found her because we built a lifetime friendship. Carmen had a natural ability to fall right back into a wonderful rhythm with everyone.

Her last few years at Camilla gave her ample opportunities to visit infirm sisters. One sister recalls eagerly waiting for Carmen’s daily visits.

When Carmen left this earth, I am sure that those she loved and cared for escorted her into heaven.

SISTER REGINA CELESTE SENIOR

Entered Eternal Life 10.29.21

Our family had been planning to celebrate Sister Regina Celeste's 75th Jubilee on Sunday, October 31. But God had another plan – a celebration for which she had been preparing for her entire life when he called her to Himself on October 29th.

Sister was a member of the "band of 44" – 44 young women who entered the IHMs in 1944 while the Second World War was still raging in Europe and in the Pacific; while so many young men and women were laying down their lives for their fellow countrymen, Mary Elaine Senior entered the convent in West Chester – laying down her life as well, in the service of others, in love for her Lord, Jesus Christ, and under the mantle of the Immaculate Heart of Mary.

We knew her as "Aunt Elaine." She seemed always to be present to us. In the days when family visits were very rare, as was the practice, gifts carefully wrapped would arrive in the mail just before Christmas from Aunt Elaine. When she was able to

be with us in those days, it was a VERY special occasion! Later, Aunt Elaine was at all of our significant events. Her presence with us was marked by her service – sewing and crafts (I believe that we all have several gifts lovingly crafted and sewn for our homes). And there was also the cooking, apple pies, and batches of Christmas cookies that she made with our grandmother. And there was always laughter – she seemed to enjoy us all so! I can still hear some of her favorite expressions: "Oh my glory!" "How 'bout it! – and "Isn't he a sketch?!" (Usually when I was acting up and trying to get attention!)

Aunt Elaine – Sister Regina Celeste – was an example and inspiration to us and to many. We pray that our Blessed Mother has led her to the eternal embrace of her Lord – in the celebration that HE has prepared for her!

Bishop Timothy Senior

SISTER JANICE M. SHAW

(SISTER M. WILLIAM
THOMAS)

Entered Eternal Life 5.1.22

Our "beloved sister," Sister Janice Shaw, was always helping others. She was the oldest of five children and from a young age always showed a teaching and sharing attitude toward her

younger brothers and sisters. Whether it was playing cards or Parcheesi, she showed us how to play the game and most important how to excel at playing.

Janice showed signs of a future in education by earning all "As" and an occasional "B" in her classes, along with an abundance of 90, 95, and even 100's throughout high school. She showed an interest in math and science, especially chemistry and physics, which she later went on to teach at many high schools during her career. She loved teaching her students and always made learning fun especially when doing experiments in the chemistry or physics lab.

Janice and our mother loved sewing and cooking and they usually worked on projects together. She used her sewing skills to make her younger sister's dress for eighth grade graduation. We appreciated her skills in the kitchen. She made delicious apple and cherry pies from scratch and even had her own "special" recipe for chocolate chip cookies – a recipe that is still used by her brother and her nieces today.

During her summer breaks from teaching, she applied for various grants to further her studies. On a trip to New Mexico, she studied Russian opera. She loved music and singing. Janice was active in the parish choir and high school glee club and went on to play guitar after entering the convent. She was interested in folk music with Peter Paul and Mary and the Kingston Trio being her favorites.

She was passionate about sports and rooted for the Phillies, Eagles, 76ers, and the Miami Heat.

Janice lived a wonderful life teaching others and she loved her family, students, and her fellow sisters. In the back of her high school yearbook, there was a line from a fellow student that said, "Although you are going to be a Nun, I'm sure you'll have a lot of fun." Janice had many good times and enjoyed her life. She will be sadly missed.

SISTER M. RITA CHARLES SMITH

Entered Eternal Life 1.17.22

“Those who have given of themselves to others, will live forever in every single heart they have touched.” This verse sums up Rita. In her quiet, gentle way, she gave herself to others, showing us the heart of Jesus, forever seeking to bring us closer to the God who loves us.

As the students of Sacred Heart, Manoa remarked in their yearbook – “Sister was always there if you had a question and always helped you with whatever you needed. She always tried to help us be the best we could be... she was always positive and there was never a time that she didn’t have a smile on her face... or greet us as we walked by.” (2022 Dedication page).

Rita enjoyed so much of life: her family, her friends, her 53 years of teaching first and fourth grade students, her community and, most recently, the children she tutored. She more than cared for everyone she met; she nurtured them into better people. Her love of learning opened her to new experiences and broader perspectives.

She enjoyed creating things whether it was cooking new recipes, knitting, crocheting, or sewing.

Rita brought a generous, patient joy to everything she did and everyone she met. Even in the sudden and rapid progression of her illness, she accepted each decline with peaceful resignation and with a joyful endurance of her pain. Her quiet, positive presence and her generously joyful smile will be forever missed.

Sister Marita Shaun Mulhall, IHM

SISTER M. FRANCES STEVENSON

(SISTER M. FRANCES ANN)

Entered Eternal Life 6.15.22

Frances was born in Reading, Pennsylvania on April 5, 1938. She is the daughter of Mary and John Stevenson and the second eldest of five children. Other siblings are Rosemarie, Joseph, John, and Maryann. She was taught by the IHM sisters from

grades 1 to 12 at St. Peter School. Her loving parents and teachers were pivotal contributors in her decision to join the IHM sisters.

Frances had an inner peace and happiness that showed in everything she did. She thoroughly enjoyed being a part of the IHM community and devoted her life to everything they represent. When visiting her wherever she was assigned, there was always a sense of joy and vigor with her and the other sisters.

She was a wonderful teacher and the nurturer to thousands of children. She served in numerous schools throughout Pennsylvania including schools in Philadelphia, Conshohocken, Bryn Mawr, Reading, Lancaster, Bensalem, Bridgeport, and

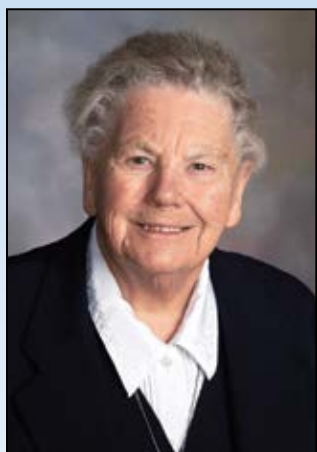

Shenandoah.

She was a devoted daughter, assisting her parents for many years with loving care. There are numerous fond memories of sharing dinner, and of course wine, and dancing in the kitchen. She loved doing the Polka dance and would teach anyone willing to learn. Family gatherings were very special to her, and to all of us, especially vacations at the beach. She loved to swim, take walks, and read.

At Camilla Hall, she continued her tradition of caring, thoughtfulness, and patience with her fellow sisters. Her legacy will continue through those she loved.

We will love you always.

With Love, The Stevenson/Stubbs Family

SISTER MARITA DONALD TOLAND

Entered Eternal Life 11.5.21

We are truly blessed to have so many fond memories of Sister Marita Donald (aka Sister Pat). When we think of Sister Pat, many memories come to mind. Sister had great faith in God. As a young girl, she always knew her calling and couldn't wait until she turned 18 to enter the convent.

Her life was focused on serving God and others.

Sister Pat's love for family is one area where we have so many joyful memories. She was part of so many family celebrations from birthdays, weddings, anniversaries, and Mother's Day celebrations to days by the pool. We did worry about her driving back home and would anxiously wait for her call telling us that she made it back safely. She loved spending time with her cousins either down by the Jersey or Maryland shore.

Sister Pat had a love of teaching. She impacted the lives of so many students over the years! We love that she kept the pictures of her first-grade class from 1958. We received many comments from former students that she was one of their favorite teachers.

She was one of the first people to promote the use of computers in education. We have many memories of her showing us a computer that she brought to Grandma Toland's apartment in her big bag. We eagerly gathered around to see the latest game.

Sister Pat loved to cook and was always on the go. Over the holidays, her Christmas cookies and chocolate candy were an annual gift to all and were always very much loved and anticipated!

She loved animals and had a special affection for cats and dogs. She was always telling stories of the cats that she took care of at the convent, and she always loved seeing our dogs.

When we think back on Sister Pat's life, we will remember her kindness and her love for everyone. She will be very dearly missed by all. We were grateful to have her in our life for so many years.

SISTER ELIZABETH MARIE WELDING

(SISTER M. KEVIN FRANCIS)

Entered Eternal Life 4.23.22

Sister Elizabeth Welding entered the IHM Congregation following high school graduation. Her home was three houses from St. Francis de Sales Convent. She and her six siblings were raised in the shadow of the magnificent dome of de Sales Church.

From very early on, music was an important part of her home with the radio and voices - particularly dad's - being the only instruments. Eventually, family gatherings would include guitars and singing. She had a talent and could harmonize with any music. Music brought her joy whether it was listening to Elvis while washing dishes, singing solo, or singing with others. It was how she lived and loved life. Friday night dances at de Sales were for socializing and working on her jitterbug.

Foreign language based on rhythm, singing, and musical perception explains her ability to teach French. Aunt Betty's speaking French so fascinated her niece that she studied the language for ten years!

She was adept at sports and participated in neighborhood baseball games as well as joining the basketball team in elementary school.

Betty so loved the shore! Her retreats at "The Harbor" were invariably extended to an additional retreat or two working in the kitchen where we would often pay a visit and be treated to 'pigs in a blanket' or cookies. On her day off, she would join us on the beach sunning, riding waves, or floating in the ocean while mom, dad, Joe, and dinner would be awaiting us back at the house. Oh, how she looked forward to the completion of the new Villa Maria by the Sea.

Christmas wasn't complete without a family gathering and the gathering wasn't complete without guitars and singing (after gifts of course). Christmas is for children, and her nieces and nephews (especially the little ones) brought joy and delight to any celebration.

She was a devoted and supportive aunt, sibling, and daughter, lovingly caring for our parents to the end. She was gentle, peaceful, and compassionate much like our mom. Her listening and calming words comforted all. She'll be remembered for her gentle smile, attentive listening, and calming words.

Sister Elizabeth Welding would like to be remembered as a humble servant of God, loving and praising him as an IHM sister.

SISTER MARY CHARLENE WHITAKER

Entered Eternal Life 5.19.22

Our sister, Sister Mary Charlene, was named Norene Elizabeth by her parents, nicknamed Nee-Nee as a young girl growing up in her close-knit community of Shenandoah, Pennsylvania, and known as

Aunt Norene by her nieces and nephews. She was the fifth of seven children and had a joyous childhood. She cherished family dinners with wonderful food and laughter as her older brothers would tease her and her sisters. She was an active child who loved playing baseball and games with the neighborhood kids and who cherished weekend road trips visiting extended family or going to amusement parks or picnics.

God and the church were the center of her life. She recalled how each time her father passed by a church, he'd tip his hat. Her parents' faith was profound. Norene moved from public school to Catholic school in eighth grade, a move she resisted at first but then came to love. When her eighth-grade teacher suggested

Norene become a nun, she ran to the schoolyard laughing with all her friends. During high school, she was captain of the cheerleading team and a good friend to all. She never missed a reunion with her classmates. At her parents' request, and after working several jobs after high school, Norene entered the convent at 21. This year, 2022, marked her 70th Jubilee.

Our sister and aunt enjoyed every mission, but she spoke of Manayunk, Fox Chase, Bridgeport, Yeadon, and Camilla frequently. While principal of Bridgeport School, her students met Pope John Paul II at the airport, an experience she treasured. Her favorite role was being a fifth-grade teacher because she said fifth grade students were always happy. When her brother, Bill, was in the service, she would return his letters with his spelling errors, and give him a C minus. In return, he'd remind her she flunked handwriting on the blackboard as a novice.

Norene loved her family. Every morning, she prayed for each one of us. She felt fortunate that her missions never took her too far from home. She loved spending time with her family and with Helen McBride and enjoyed the Jersey shore, Philadelphia sports, playing cards, and reading. None of us thinks of Norene without hearing her distinctive and infectious laugh.

We believe that Norene is happy at home with God, and we miss her so much. We love you, Norene.

Ways of Giving

When you participate in any of the ways listed, you participate in the mission and good works of the Sisters, Servants of the Immaculate Heart of Mary and are remembered in prayer by every IHM sister.

Annual Giving	<i>Gifts made through the direct mail program assist in the support of those sisters in active ministry and those in the apostolate of prayer at Camilla Hall. On-line giving is available at www.ihmimmaculata.org.</i>
Monthly & Quarterly Donors	<i>Rather than respond only to the Annual Appeal, these benefactors choose to make a monthly donation via direct mail or online. Online giving is available at ihmimmaculata.org.</i>
Memorial and Honorary Gifts	<i>Gifts made in honor of or in memory of a person may be made at any time through the Mission Advancement Office. All gifts are acknowledged.</i>
Bequests Planned Giving	<i>Benefactors who choose to remember the Sisters of IHM in their wills are enrolled as members of the Alphonsus Liguori Legacy Society. There are many ways to prepare a planned gift that provide resources for the Congregation. Information is available upon request.</i>
United Way Donor Program	<i>Using the donor designation option of United Way insures that the Sisters of IHM receive gifts through this program. In Southeastern Pennsylvania, the donor option number for Camilla Hall is 02026. For areas outside Pennsylvania, the local Chapter of United Way should be contacted regarding how to designate donations for the Sisters, Servants of the Immaculate Heart of Mary, Immaculata, PA</i>
Matching Gifts Workplace Giving	<i>Benefactors making a matching gift should contact the human resource department of their company. Matching gifts often double the benefactor's donation. Workplace giving is an automatic payroll deduction that insures a systematic method of giving to the Sisters of IHM.</i>
