ANNUAL REPORT 2020-2021

SISTERS, SERVANTS OF THE IMMACULATE HEART OF MARY
IMMACULATA, PENNSYLVANIA

I Have Called You By Name ...

Perpetual Profession of Religious Vows and Reception into Novitiate

Congratulations to Sister M. Stephanie Gabriel Tracy on her perpetual profession of religious vows celebrated on July 25.

Sister Stephanie was joined by her parents, her friends, and the IHM Congregation in celebrating this joyous occasion.

Sister Alexis Karen Reaville was received into the novitiate on August 7. She shares the joy with her religious sponsor, Sister Marjorie McCall.

Sister Alexis was all smiles as she was surrounded by her family and friends on this happy day.

Dear Friends, Relatives, and Benefactors,

In his book, *More Together Than Alone*, poet and spiritual writer, Mark Nepo, explains the Native American notion of *All My Relations*. He writes that this worldview sees every aspect of life as related and interconnected. Nepo gives a clear example of this when he describes a typical Blackfoot tribe greeting. In this tradition, when people meet, they don't say 'How are you?' but 'Tza Nee Da Bee Wah?' which means, "How are the connections?"

At our annual Convocation this summer, the IHM Congregation took a brief pause to reflect on the connections that exist among us. Coupled with our 175th Anniversary gathering with our sisters from our foundations in Monroe, MI and Scranton, PA as well as the Oblate Sisters of Providence in Baltimore, MD, we reflected on our past connections. We visioned how our future works may be transformed by the richness of those connections and by the forming of connections that will further our mission to be Joyful Bearers of our God's Redeeming Love. The sharings and conversations have broadened our perspective and strengthened our conviction, as Nepo posits, to discover, name, and repair the connections that exist among all things. Truly this is a sacred work.

We are all connected, and as IHMs, we are acutely aware of just how these connections are at the forefront of all of our relationships. Your involvement in the life and the good works of the IHM Congregation, as reflected in this Annual Report, sharpens that awareness for all of us. As we examined our history this summer, we became reacquainted with the profound reality that since our beginning foundations, the support and encouragement of our lay colleagues, family and friends, have been pivotal in allowing us to foster relationships and connections that allow us to focus on helping others see their connection to our God's boundless love. Together we have strengthened this sacred and necessary work.

We are humbled and energized by your love and support. We know that the connections among us are pivotal in discovering, naming, and repairing the connections that the world is presently bringing before us. Our worldview has expanded precisely because of our connection with you and the consistent and heartfelt support that you give to us.

'Tza Nee Da Bee Wah?' As we answer that question daily, we thank our good and gracious God for all of "Our IHM Relations." You have taught us that we "are more together than alone."

With gratitude for all that you are to us,

Sister Mary Ellen

Congregational Donations

These funds reflect gifts given directly to Congregational Leadership most especially donations made in recognition of the 175th Anniversary of the IHM Congregation.

Dear Loving and Faithful Donors,

A story is told of a man walking along a beach. He sees a boy throwing starfish back into the ocean one by one. He asks the boy, "Why?" The child says, "They would die if I did not throw them back." "There are thousands and you can't save them all; so what difference does it make?" the man asked. The boy threw another one into the ocean, and replied, "It made a big difference to that one!"

The "story" behind the donations in this report, as well as the "story" behind the history of the IHM sisters since 1845, also highlights the difference that is made one by one.

With the expansive needs of the Congregation a donor may think, "What difference does my contribution(s) make?" However, the donation graph confirms that one by one, almost 2.1 million dollars was received. Each gift can and did make a big difference!

Scattered (like starfish) throughout the list of names are quotes from a few sisters giving witness to the influence ONE IHM had on them. Each testament remembers with gratitude the inspiration, encouragement, and example of another IHM. It is indeed one by one that a difference is made for the Sisters, Servants of the Immaculate Heart of Mary!

Our sisters who went home to the Lord in the past fiscal year may not have realized the remarkable difference they made. The loving tributes written by their loved ones, however, testify to the profound influence they had on family, friends, and those encountered in ministry. They made a difference!

In other words, all those we encounter, especially those like you, with such generous hearts, make an enormous difference in our lives. We can only hope that our daily prayers of gratitude grace each one of you with remarkable blessings.

With a grateful heart,

A handwritten signature in cursive script that reads "Sister Jeannine". The ink is dark and the signature is elegant.

SISTER MARIA CLEMENS BARONETT

Entered Eternal Life 4.28.21

Sister Maria Clemens, better known as Aunt Cass to the Jefferys, Moran and Baronett nieces and nephews was always a source of support and prayer. She loved her family!

Many of our memories of Aunt Cass revolve around our trips home to Philadelphia first from Picayune, Mississippi and then from Erie, Pennsylvania. One of the highlights of those trips were the weekends Aunt Cass would spend at Mom-mom and Pop-pop's with all of us. Those visits always involved going to pick up Aunt Cass wherever she was assigned (St. Gabriel's, St. Monica's) and knowing that a whirlwind shopping trip would begin. We'd stop at the bakery for fresh rolls, then a deli for lunch meats, a market for produce, and a different bakery for desserts. Shopping was rarely done through the front door and always accompanied by the owner's respect for Aunt Cass and the IHMs. It was a ritual we'd come to expect and look forward to!

Once back at our grandparent's home, you could count on aunts, uncles and cousins stopping by for a feast and catching up. At the center of it all was Aunt Cass orchestrating – she was a natural organizer.

Aunt Cass was IHM through and through. She lived the IHM mission: to evangelize, to catechize, and to teach. We saw it in our lives as she set the example of service to God's people. When visiting St. Monica's Day Care, we experienced her interactions with the children who respected and loved her. When she visited Erie on vacation, we would go to the area discount stores so she could find the best deals for toys and supplies for the Day Care. Never far from her heart were those she served.

Recently, I saw this quote from St. Clare of Assisi, "We become what we love and who we love shapes what we become." Aunt Cass's love of God called her to the Sisters, Servants of the Immaculate Heart of Mary. Her love of God's people made her the loving teacher, administrator, friend, daughter, sister, and aunt she became. It is difficult to believe she's gone, but her legacy will continue through those she loved.

SISTER PATRICK MARY BLUE

Entered Eternal Life 10.21.20

Our "Aunt Anna," Sister Patrick Mary, IHM, was always thinking about and giving to other people. Born Anna Blue, she was the last surviving, and eldest, of seven children. She was born in Philadelphia to

Irish immigrant parents, but she and her siblings spent several childhood years living in rural Ireland. They had many stories of attending a one-room schoolhouse, running through the fields to escape "Daisy the Goat," and playing along the River Bann. As the eldest child in such a large family, they relied upon her to help with her younger siblings and from all accounts, she did so with a great sense of responsibility and maturity.

When her family settled permanently in the United States, they became members of Immaculate Conception Church in the Germantown section of Philadelphia where Aunt Anna excelled at the parish elementary school. She was humble and modest, but her sisters always talked with admiration

about her accomplishments as a student. We were so proud of her when she earned a graduate degree from what was then Immaculata College. She shared her love of learning by teaching thousands of students at the elementary and high school levels.

Aunt Anna had many nieces and nephews, and she was devoted to us - always interested in what we were doing and ready with good advice. When my sisters and I were young, she sewed cute little summer dresses for us and even made us beautiful Raggedy Ann dolls. (We thought she invented Raggedy Ann and other people just copied it.) She never forgot a holiday, always sending a card or a little gift for her nieces and nephews. She had a tradition of taking us annually into town during the Christmas season to do our holiday shopping and have lunch. We always looked forward to what she used as a learning experience in how to navigate the public transit system, stay safe, and budget our spending money. She always encouraged a sense of independence.

Aunt Anna now has several great-nieces and nephews, and I know she is smiling as she watches over them too. Rest in peace, Aunt Anna, after 96 well-lived years in service of God and others. Your family loves you.

SISTER MAUREEN CATHERINE CASSEL

Entered Eternal Life 2.1.21

Easter was a special time to visit our 'Aunt Kate' in many Philadelphia convents. After the traditions of Lent and the Passion, it was on Easter that we finally celebrated. We visited her at St. Thomas Aquinas, the

Gesu, St. Maria Goretti, and other missions, and we were always welcomed by all the sisters. Many of the sisters would come by with their families to converse and spread good cheer. Kate loved her sisters in the IHM community and loved her family.

She grew up in Norristown during the Great Depression and World War II years in a revered row house at 106 Knox Street. The family were devout Catholics with a deep work ethic and a great sense of humor. She was educated locally at St. Francis of Assisi and then at St. Matthews. Always a stellar student, Kate discerned her religious vocation, and two years after graduation, she entered the IHM novitiate. In the

next seven decades, she devoted her life and talent to teaching, school administration, and ministering to others including caring for her mother and her older brother, Fr. Harry OSA, in their later years. She reveled in the love of her parents, bantered with her four brothers, and doted over us younger ones.

Her picture trove was a source of joyful memories. We laughed again and again at pictures of her 25th jubilee, early pictures of my future wife, the baptism of her niece Katelyn, gifts of Hess trucks to her nephew Graham, and her adventures with Sister Marie De Lourdes such as getting lost on a drive to Michigan and almost missing the celebration.

Always with a positive word for anyone, she had a kind sense of humor to brighten anyone's outlook, and a favorite expression of hers was, 'You are S-P-O-I-L-E-D!' In later years, she kept in touch with nieces and nephews and had a special relationship with my wife, Maureen, and our children Kate and Graham. We will miss this extraordinary and loving soul.

Our family appreciates the loving care of the Sisters of the IHM and the many tender caregivers at the Mother House and Camilla Hall.

You are loved and in our prayers.

Joe Cassel

SISTER MARY EDWARDINE COLEMAN

*(SISTER EDWARDINE
MARIE)*

Entered Eternal Life: 3.10.21

My cousin Edwardine was nine years younger than I and, because of various circumstances, we didn't see

much of each other growing up. When she first entered the convent, we only saw each other occasionally but frequently at Christmas and Easter. However, after I retired, her mother, my Aunt Mary, asked me to drive her wherever Eddie was stationed, so I got to see her much more often.

Sister Eddie loved children and was most happy when teaching little ones. She also loved shopping and was the first to admit she was a shopaholic. Another thing that made her happy was to design her own greeting cards. She would laugh and call them "S. Eddie's Originals." She had a real talent for this artistic skill. The only regret I ever heard her speak of was that she never knew her father who was killed in an airplane

crash while serving his country.

The isolation of the pandemic and her worsening health wore her down. She missed the bimonthly visits from John and me. We both loved her. God rest her soul. She will be missed.

Alice Troy

Eddie was my wife's cousin and from the first time I met her, she called me "Cousin" and it stuck throughout the years. We enjoyed going to her mom's for holidays and seeing her. She loved her family and was always "there" for all of us. She and I enjoyed our visits every other week at Camilla. Special treats she loved such as chicken salad from Nudy's, water ice from Rita's and other snacks made the time even more fun. We even brought the dogs with us too. Even when COVID restricted visits, she would stand at the window and talk but that had to be all the "treat" we could share at that time. I am grateful for her beautiful funeral and look forward to stopping by to sit by her grave."

SISTER M. BARBARA ANN COLLIGON

(SISTER M. CATHERINE
WILLIAM)

Entered Eternal Life 6.13.21

Sister Barbara Colligon, IHM, formally known as Sister Catherine William was called home to her Lord and Savior on

June 13, 2021.

Born on August 31, 1937 she was the only girl born amongst two brothers, William and Thomas (now deceased) in the Mayfair section of Philadelphia. She graduated from Little Flower High School in 1955 and entered the convent a year later. She furthered her own education in preparation for teaching at Immaculata College, Ball State, and Glassboro State College.

One of her first teaching assignments was at St. Joan of Arc School where we were amazed that she had 44 boys in one 4th grade class! Throughout her fifty plus years of service, she prided herself in teaching Honors Math. Her goal was always to make math a subject that all children could understand and enjoy. She must have been successful because several students kept in touch with her throughout the years

because of the impact she made in their lives. Other schools in which she served and shared the love of teaching were: Our Lady of Pompeii, Philadelphia; St. James, Falls Church, VA; St. John Bosco, Warminster, PA; St. Michael, Annandale, VA; and St. Ephrem, Bensalem, PA.

Her fondness for a good hoagie and the Philadelphia Phillies was second to none. With the help of her family, she even arranged for the beloved Philly Phanatic to visit Camilla Hall.

Summer retreat in Stone Harbor was a special time for Barbara. She loved sitting on the porch overlooking the ocean. Despite several knee surgeries, she never let her limitations slow her down. She was always smiling, kind, and generous and never forgot a birthday. Her love of God was evident in her 50+ years of service spent with a daily spirit of kindness, thoughtfulness, and love.

Her infectious laugh and beautiful smile will be terribly missed by her family and friends, including her brother William, his wife Marianne, nieces, Lynda, Susanne, Arlene, Barbara, Amy, and Jacquelyn, grandniece Madelyn, and grandnephew Christian, and all the sisters at Camilla Hall especially her dear friends Sister Amedeo Deluca and Sister Mary Denise.

SISTER JOSEPH MAUREEN CURRAN

Entered Eternal Life 6.22.21

Sister Joseph Maureen, “Honey” to the family, was my big sister. We were a middle-class, blue-collar family growing up in Most Blessed Sacrament Parish during the 30s and 40s in row houses in West Philly. She became

the protector of my sister, Marilyn, and me in the crowded neighborhood. In the summers, she became a teen lifeguard at the local community pool, and she also worked there coordinating activities at the center to keep the neighborhood kids off the streets.

She knew she had a vocation before graduation and would drag me to 6:00 AM daily mass because she wanted company. But our family was not in a financial position to let her go just yet, and the folks said “no.” She was persistent when the next openings came for postulants, and when our parents saw her strong desire for the IHMs, they said “yes” this time. Mom

often said from that time on, everything got better financially. She was able to get a job working as a cleaning lady in the hospital to supplement our income, and Honey’s life and ours saw many blessings.

Over the years, Sister Joseph taught first grade through high school. She taught at the IHM school in Peru for five years. After that experience, her knowledge of Spanish was an asset in her many ministries. In addition to teaching Spanish in high school, she was an active participant in her parishes working and organizing many hours of volunteer outreach to the Latino community.

When she retired from teaching, she eventually went to Camilla Hall as a worker. Finally, after years of faithful service, she became a bedridden patient herself. The outstanding “TLC” at Camilla made her final years as comfortable as possible. During her life, her health was not strong as she had many serious setbacks. She accepted everything with a deep sense of humility to God’s will. Marilyn and I will miss her immensely but find comfort in knowing she is at peace now.

“Vaya con Dios, Jose.”

SISTER REGINA MAURICIA DeFeo

Entered Eternal Life 3.25.21

Sr. Regina Mauricia was born Elaine DeFeo September 10, 1936 to Phyllis and Charles. She adored her parents along with her brother, Maurice, my dad, who, in her eyes, could do no wrong. It became clear early on that Aunt Elaine or "Aunt"

as she was known to us, was very studious and special. This, along with her great love for God and Our Lady, would quickly set the path of her life. After graduating from West Catholic High School, she confirmed her love for God by joining the Sisters of IHM. Aunt continued her studies and obtained her master's degree from Villanova University. She eventually ended up at Immaculata University where she taught countless students, spending extra hours tutoring, and spending years as the college treasurer.

While teaching at St. Hubert High School in Northeast Philadelphia, she met S. Kathleen Kennedy and the two became inseparable friends for a lifetime. Aunt and S.

Kathleen remained close. There were countless times when we made the trip to Immaculata to pick up Aunt and cruise by Villa Maria for S. Kathleen. The most memorable times were when we went to pick them up after retreat in Stone Harbor and take them to Wildwood. Once we talked them into going on a speed boat ride with us to "see the dolphins." We made sure they were seated in a "safe place," and, in the end, both were soaking wet and laughing hysterically.

My fondest memory of Aunt will always be her kindness and love for God. Many people would say that they would pray for you, but when Aunt said it, you felt safer knowing that she would. The handwriting on the cards we received was unmistakable. She never missed a birthday or holiday, and you were always in her prayers. When she knew it was the end, she called us to Camilla to see her one last time. I will never forget what she said to my brother, Reese, and me: "Thank you for being my family." "No, Aunt, thank you!"

Robert "Bobby" DeFeo

SISTER DOLORES ANN DENNIN

Entered Eternal Life 3.22.21

I am blessed to have so many fond memories of my Aunt Mary (Sister Dolores Ann Dennin). One of my first memories is when she would come for an overnight visit. She would put her bonnet and veil on me - perhaps hoping I would

follow in her footsteps!

As I got older, I remember Friday and Saturday night pinochle games with her. My brothers would call their friends and the neighborhood kids would come and play until midnight. At times, we had so many playing, we used a double deck! Our friends loved to visit and play cards with her. I think they were in shock that a nun actually played cards!

No one (and I mean no one) loved the holidays like Aunt Mary. She absolutely loved Advent and Christmas. She would be ready in October to put up her decorations and write her Christmas cards. When our son, Samuel, was born on

March 25, the first thing she said to me was that she would never forget his birthday because he was born on the feast of the Annunciation and that meant only nine months until Christmas!

Aunt Mary came to Trinity High School to teach when, my now husband and I, were attending school there. I was happy that thanks to Aunt Mary, the girls got a new updated school uniform with options. The changes came too late for me but our daughter benefited from them, and she was very grateful!

As the years passed, Aunt Mary was always first and foremost in our lives. She was at most major events for nieces, nephews, great nieces and nephews, and even great-great nieces. We shared happy times and trying times, births and deaths, and everything in between. She was our rock; the one everyone would call to ask for prayers, to have the IHM community pray, and to keep us on "the prayer list." Words cannot express the feeling of loss, love for her, and the gratitude I have for knowing her all my life. "Here's to you, Aunt Mary, keep watching over us until we see you again..."

SISTER M. PHYLLIS ANN DiRENZO

(SISTER M. ROSE DAVID)

Entered Eternal Life 1.21.21

Phyllis was the oldest of five children. Growing up in the Germantown area of Philadelphia, she attended Holy Rosary School. She graduated from Cardinal Dougherty High School in 1968 and began

preparing for a teaching career at Holy Family College. She did begin that career at Saint Dominic School before entering the IHM sisters in 1969. She shared her love of teaching in many schools before taking on the role of hospital chaplain at Nazareth Hospital before Camilla became her home in 2015.

Although she dedicated her life to serving others, she was always there for her family and friends and nothing made her happier than spending time with them. She loved being in the middle of everything, especially family weddings, always

wanting to do whatever she could to help. As the family grew to include nephews and then grandnephews and grandnieces, she could be counted on to get them riled up but also to find time to talk to each of them about sports, school, and their friends. One of the qualities they most remember is that she was truly interested in their lives and made them feel as if they were the most important person in the room. She listened well and gave some advice too. They especially loved watching the Phillies and Eagles with her. They saw her as the teams' biggest fan!

The illnesses that took her to Camilla tried to keep her down, but she never gave in. She loved life, her many friends in the IHM community, and those she met throughout her ministries. Hearing from so many after her passing, we are pleased to know that she touched so many in her lifetime.

Always in our hearts, she will be forever missed. We have gained a special "guardian angel" and we ask her to send us a sign once in a while and prayers always.

***Her loving family,
John, Dominic, David and Rosie***

SISTER ROSEMARY THERESE FLAHERTY

(SISTER MARIE PATRICK)

Entered Eternal Life 9.2.20

Sister Rosemary Flaherty is truly missed by her many nieces and nephews. We all have such fond memories as young children visiting her at different convents and sitting in a parlor.

The highlight would be when another sister would come and take us to the pantry! It was filled with any snack or candy we could ever imagine. We all wanted to live there!

Aunt Rosemary was warm and loving, and we all knew she loved us dearly. The prayers she offered for us were comforting. I truly believe that knowing she was always praying for one or another of us daily helped us all get through challenging and difficult times in our lives.

My favorite memories include her love for bling - anything that sparkled! One day when I went to visit her at Camilla Hall, I walked in wearing some sandals with lots of bling.

She just looked at me and said, "I need a pair of them. Can you get them for me?" Soon as I left, I got them and mailed them to her. I just wish I had been there the day she wore them to the dining room for the first time! Her sister (my mom), Patricia Jannett, was very reserved and not into bling at all. But together they were quite a pair with their stories of Villa Maria boarding school. They would keep us laughing. These are the times we all miss.

Aunt Rosemary also had a love for horses. Every year at Christmas, I would ask her what she would like for Christmas and without hesitation she would say, "a horse!" So, a couple of years ago, I was shopping, and I came across a little white stuffed horse. I wrapped it and brought it to her. She was so excited, and her eyes filled up as she said, "I will name him Lucky!" Until she passed away, Lucky was front and center on her TV table.

We were the lucky ones to know, love, and be loved by our Aunt Rosemary!

SISTER REGINA FOY (**SISTER MARY ALOYSIUS**)

Entered Eternal Life 10.15.20

Sister Regina was the second oldest of six born to Helen and Richard Foy. She showed her musical talent early on and we often joked she must have been adopted because no one else had any musical talent.

At Little Flower High School, Sisters Maria Assumpta and Helena Mary cultivated her love of music and eventually - much to the pride of her parents - Sister Assumpta sponsored Jean to the IHM Congregation in 1956. Upon her profession, she was stationed in Somerville, NJ, then Miami, FL necessitating our parents first plane ride. She later returned to Somerville and established the Music Department with a marching band and chorale.

The last 30 years of Jean's calling were spent at Immaculata University. Jean loved to teach and be amidst the energy of the campus. She earned a master's degree in liturgical music from

Notre Dame University which gave her access to Notre Dame football game tickets and allowed us to accompany her for a weekend of fun and great memories.

She orchestrated every wedding in the family - 14 to be exact. Every verse of each hymn had to be sung. After the third verse there was always much rolling of eyes! Christmas too was a special time with Jean passing out song sheets and getting great nieces and nephews to join in sharing their musical talents.

Jean's devotion to our Mom and Dad was inspiring, supporting them both through difficult times. She was an unwavering source of strength and faith to all of her brothers and sisters, but she had a special relationship with Kate who became Jean's partner in crime after our parents' passing.

While the past few years were difficult, we know she is with Mom and Dad, playing the organ, and is at peace. Jean touched so many lives over her years of service, as evidenced by the tributes posted to the Camilla Hall web site, and her legacy surely lives on in all the lives she touched.

SISTER CLARE **MAUREEN GRAVEN**

Entered Eternal Life 11.30.20

Sister Clare Maureen, aka Julia Theresa Graven ("Aunt Theresa"), was the second of four children of Julia and Patrick Graven from County Mayo, Ireland. She was born and raised in South Philadelphia and despite being baptized Julia, she was called Theresa.

At Saint Gabriel School in South Philadelphia, she became upset because the IHM sisters called her Julia. She had them call her Theresa! She entered the convent upon graduation from West Catholic High School.

During one of her assignments at Social Services, she was able to change the life of her sister, Peggy, and brother-in-law, Bob, when she helped them adopt beautiful identical twin girls. She held a variety of teaching positions and loved every moment interacting with her students. She loved to reminisce about her early teaching years when she had a classroom of 60 boys. She taught at various high schools and had wonderful

memories of students who frequently visited or sent cards.

She loved praying the rosary, and she made sure all her nieces and her nephew and great nieces and nephews not only had a rosary but knew how to pray the rosary. There was nothing that was more important to our Aunt Theresa than her devotion to God and that love showed in her every thought and action.

Aunt Theresa had an easy laugh, a gentle spirit, and was incredibly kind. She was always thinking of others and looked forward to spending summers working in the laundry at Camilla Hall. She lovingly entered Camilla Hall as a resident in August 2015.

She loved both her IHM and Graven families. She called her brother Patrick (Speed) every Sunday, and she never forgot a birthday or anniversary. She will be missed and fondly remembered by her brother Patrick, sister-in-law Nancy, six nieces, one nephew, 14 great nephews, and six great nieces. How blessed are we to have one of God's angels in heaven to continue to pray for and with us. "We love you, Aunt Theresa, and will miss you always!" XO

SISTER MARIAN DAVID HABINA

Entered Eternal Life 3.7.21

Sister Marian David first came into my life when I became a patient at Camilla Hall. Each evening, she and her parakeet, Louie, would visit. Actually, many residents enjoyed Louie's antics and unique phrases such as "Gotta go to chapel." When

Buddy, my parakeet, moved in, a bond was forged, opening to me a wellspring of wisdom and good example that continues to inspire me.

Sister Marian loved her family and the stories she recounted about them were filled with concern, pride, and affection. She cared for her mother in her illness and kept in close contact with family members in Danville as well as other friends. Her dear friend, Sister Loretta Maria, also received her loving and faithful care when she came to reside at Camilla Hall.

Being an IHM and living in community filled her with joy. After a brief time in elementary school, Sister taught and

served at several high schools and Immaculata University. Once she became a resident of Camilla Hall, she served as driver, payroll employee, receptionist, and fundraiser. She is probably best-known for her tireless efforts to solicit donations for the annual Oktoberfest and the chance drive. She visited local parishes, medical offices, and local businesses. Supporting Camilla was her mission.

At Camilla Hall, she enjoyed activities especially related to sports. She loved the Phillies and Eagles and encouraged the sisters to watch the games together. She watched for sales at the local Giant for Tastykakes and often she would purchase a variety to treat the sisters.

She was a woman of prayer, anticipating her religious exercises and spending extra time before the Blessed Sacrament. She was often seen with rosary in hand as she went about the activities of her day. She was quick to acknowledge every kindness shown to her and wrote many expressions of gratitude to others.

Sister Marian was called home shortly after her 90th birthday. She left us with a heart on fire with love for our Lord and His Mother, Mary. Her arms were full of graces from a lifetime of faithful service. Rest in peace, dear Sister!

Sister Helen Teresa Smythe, IHM

SISTER MARIE ESTHER HART

Entered Eternal Life 9.18.20

The daughter of Elizabeth (Burke) and Jim Hart, Elizabeth Mary was born in Philadelphia. The eldest of three children, followed by Jimmy and Mary, she was also the first grandchild. She attended St. Monica School and graduated from Hallahan

High. Elizabeth worked for two years at Horn and Hardart before entering the Sisters, Servants of the IHM. Receiving the religious name of Sister Marie Esther, she served the Lord faithfully for almost 72 years.

Sister Esther was a master high school math teacher, a position she loved and treasured. At the end of most days, she could be found in the Math Center giving extra help and encouragement to any student. She became principal of St. Hubert High School and cherished this role for 13 years, where she was known for her open-door policy to students and teachers. She is remembered for her daily motto: "Be kind to one another today." After Saint Hubert High School, Sister worked in the Office of Catholic Education for 10 years.

Attending daily mass at the Cathedral, she became very involved in ministry to the homeless. She touched countless lives and made a difference because she was incredibly thoughtful to all and selfless in every aspect of her life.

Sister Esther is lovingly called Aunt Betsy by many. It is remarkable to think back that given how busy she was with many ministries, she never missed acknowledging an event in our lives - birthdays, graduations, new job, weddings, etc. It was her extraordinary insight that always knew when someone was at a challenging part of life and needed that extra phone call of encouragement or a beautifully written letter. We hope she knew how much that meant. She was courageous as a sightseeing tour guide on adventures throughout Pennsylvania with us as young ones. She was an interesting and captivating storyteller, who, while reminiscing about her childhood, introduced us to many memories of people who are no longer with us.

She served on the front lines until she could no longer. And so, in the words of one of her favorite poems "she has taken her place among those angel faces which (we) have loved long since and lost awhile." She is loved and missed by many.

SISTER MARIAN WILLIAM HOBEN

Entered Eternal Life 10.20.20

My Aunt, Sister Marian William Hoben, was a light to her family and her vocation. She taught in the Philadelphia Parochial Schools and, for most of her career, at Immaculata. As a devoted teacher and two-term president of Immaculata,

she worked diligently and lovingly for both her students and the welfare of the college (Immaculata had not reached “university” status at that time).

But, beyond the academic success and accolades, she was a charitable and loving aunt to our entire family. Among her many qualities, perhaps the most prominent was an infinite sense of humor. Our family spent many Christmases and holidays with her, and she always had a story that would set the room aroar.

When she would visit, one of her favorite meals, believe it or not, was soft-boiled eggs. I was always in charge of preparing them “extra runny.” Upon her retirement, she could

be counted on to be at our house on the weekends. We watched baseball and football. Sister was a rabid fan of the Phillies, the Eagles, and Notre Dame. Her charity was tested though when an official made a bad call.

She was born and raised in Coaldale, and she never forgot it. That she was the daughter of a deep coal miner was, for her, a source of pride. Her dad labored in the mines for many years. I can still see the blue marks on his face and hands from an explosion that brought a wall of coal down on top of him. In spite of the tough job he had, he was a gentle and loving man – traits that Sister Marian William shared.

In *Immaculata* magazine (Winter 2021), Sister Marie Roseanne Bonfini gave tribute to Sister Marian, her colleague, her college president and her dear friend. “Sister’s leadership style and presidential stance were distinctively her own. ... [S]he delegated responsibility and allowed others to function. Her wit and humor and her engaging personality.... made her one of Immaculata’s most beloved and sought-after teachers.”

For many years as a Camilla resident, Sister wrote a monthly article sent to the entire IHM Congregation describing with tenderness and humor the many events that filled their “retirement” days. Her words and her ways will be sorely missed!

SISTER MIRIAM IRENE KEENAN

Entered Eternal Life 8.25.20

Sister Miriam Irene grew up in a loving home in South Philadelphia with her parents Mary and John, one brother, and five sisters. After attending St. Gabriel’s grade school, she entered West Catholic. It was here that she met Sister Miriam

Rose who was her inspiration. In September of 1951, she entered Villa Maria to begin her journey as an IHM; and what a journey it was! After profession, in March of 1954, she began teaching at Immaculate Conception in Germantown, where she had 100 lively first graders. From there she taught in various schools: Escuela Inmaculado Corazon, an all-boys school in Peru, and Villa Maria, an all-girls school in Chile. Eventually, she returned to West Catholic, her Alma Mater.

She had a very positive influence on children. Watching sister’s kind interaction with special needs children inspired one girl who became a special education teacher. This

girl later wrote an article about sister’s influence in the *Philadelphia Inquirer*. Another student remembers sister’s playful kindness with her little brother who would grow up to be a Vincentian priest over six feet tall.

Sister Miriam Irene was a woman of great energy, enthusiasm, tremendous determination, and courage. Suffering a stroke in the 90s left her partially paralyzed. She showed her true Irish/Italian spunk by fighting to regain movement. Through her “do or die” attitude, she was successful. Her struggle inspired many. Determination and perseverance were virtues in which she excelled.

After a brief stay at Camilla, sister was able to move to our Assisted Living Convent in Hellertown. Eventually, she returned to Camilla. However, she kept very involved with “Book Club,” IHM Sisters’ Night, watching her favorite sports teams, and visiting other patients daily to offer an encouraging word.

With her childlike simplicity and love for fun, she was always ready to help out. She tutored children in Camilla, taught kindergarteners Spanish at St. Patrick’s, Malvern, and taught PREP at SS. Simon and Jude, Westtown. Her focus was on both teachers’ and students’ needs. Sister was a shining example of Faithful Witness and Faithful Servant to others.

Sister M. Rose McHugh, IHM

SISTER MARY ANN LEAHY

(SISTER ANITA MIRIAM)

Entered Eternal Life 10.25.20

Sister Mary Ann was my sister-in-law. I had my first meaningful contact with Mary Ann when her little sister, Tess, was fourteen and “big sister” was a senior in West Catholic.

At that point, Mary Ann decided she needed to “check out” the boy who seemed to be hanging around Tess a lot. From there, my relationship grew with her, with the whole Leahy family and of course with Tess. Graduating in 1950, she entered the Sisters of IHM and had to keep an eye on things from a distance.

Maybe with her prayers and hopefully with her approval, Tess and the boy who had “hung around” for quite a while eventually married. I became not just a frequent visitor, but a member of a wonderful family. It is from that vantage point that I was able to get to know Mary Ann better and can now share our admiration and loss.

From the start, I observed how frequently Mary Ann touched and befriended people she met. Her group of friends grew in number and spanned ages, cultures, and connections. Because she maintained faithful contact, she saw former students become parents and parents become grandparents. Her many experiences as teacher and principal, and later assisting at Saint Monica Day Care Center, and at the outreach program at Saint Agnes Parish, assured that new friends continued to be added.

Because of her ability to form such lasting relationships, Tess and I had to share Mary Ann not only with other relatives and IHM friends but also with others we never met. However, we knew she enriched them and that they enriched her, too. She had the capacity to embrace each person uniquely so that each one in her circle felt uniquely special, and so she was special to many!

Through the years, Mary Ann grew older and wiser but always remained the caring, loving person who “checked out” that fourteen-year-old boy seventy years ago. Mary Ann may not be with us, but we have not lost her. She gave each of us a part of herself and that remains with us as a cherished gift.

SISTER DANIEL MARIE LIDDY

Entered Eternal Life 11.30.20

Sister Daniel Marie (Terry Liddy) was the oldest of four children born to Dan and Ann Liddy. She attended St. Rose of Lima School and West Catholic High School in West Philadelphia. She entered Sisters, Servants of

the Immaculate Heart of Mary in 1953. Having earned a bachelor's degree from Immaculata University and a master's degree from Villanova University, Terry served in the IHM Congregation for more than six decades. Her assignments took her to parishes within Philadelphia and the surrounding area and also further from “home” in Miami Beach, Florida, Norfolk, Virginia, and Lima, Peru.

Through all of these missions, the trait that always shown through was her love of children. Terry certainly had a knack for telling stories and many were of her experiences with the children. It was amazing how the stories could go back, for

many years with details, but the central focus was always the children.

Terry was loyal to her family and was always there for her parents through their years of illness. Aunt Terry had 11 nieces and nephews and 11 great nieces and nephews. Each of the 22 were made to feel special by Aunt Terry showing her support and enthusiasm, whether it be a graduation, birthday, or life's milestone like a marriage. Each niece and nephew has a personal trove of happy memories with Aunt Terry. She took my sons Denis and Timothy to New York for the day many years ago. Denis remembers them singing 99 bottles of beer on the wall for over two hours on the ride home. Denis, while a student at Shanahan, remembers the kids asking, “Your Aunt is a nun?” Denis recently said if he could go back in time he would say, “Yes...my Aunt is a nun. Don't you wish that you had one who was a nun too?”

I believe that Terry is at peace knowing that she lived a life caring for others and responded to the Lord's calling – “Unless you are like the little children, you cannot enter the kingdom of God.” Terry left a positive impact on many and continues to be loved and missed by her family.

SISTER MARIE B. MAGUIRE

(SISTER JOHN IMMACULATE)

Entered Eternal Life 10.7.20

Our aunt, Sister Marie Maguire (Aunt Re), her sister, Sister Kathleen Maguire, and the IHM community have been a great presence in our family!

We want to acknowledge the

outpouring of love we received upon news of Sister Marie's passing from so many whom she touched during her dedicated service as a religious sister, teacher, and to many, a faithful friend. Sister Marie was a natural teacher and her passion for teaching was evident. She was raised in Bridgeport, PA and attended St. Augustine grade school and St. Matthew High School. Before entering the convent, she taught at Sacred Heart in Swedesburg, PA where she was one of the first lay teachers in the Archdiocese of Philadelphia. As a sister, she taught primarily first and fourth grades for over 40 years and served as a tutor for another 10 years. When we came to visit her, she loved to show us her classroom and bulletin board

decorations! She spoke fondly of her students and was very proud of their accomplishments. She was the same with all of her nieces, nephews, grandnieces, and grandnephews. She loved bragging about all of us!

We especially loved seeing our aunts at Christmas. We were always so excited to see them! They came with bags of beautifully wrapped, thoughtful gifts for everyone. We treasured those gifts and will always have fond memories of our time together.

Sister Marie was also known for her great sense of witty humor! We honestly didn't know what she would come out with, but that was one trait we loved. She kept us on our toes and always laughing. Even in her later years when she didn't speak to us in the present, she lit up when she saw us and was more like her usual funny, remarkable self!

She was well-cared for at Camilla Hall and she continued to touch others' hearts there, too. We are grateful for the extraordinary care she received from a very dedicated staff! They loved her as much as we did and that really showed!

We will miss you Aunt Re! We will cheer on Notre Dame and the Phillies and always savor chocolate chip cookies!

SISTER MARIE DeLOURDES MATES

Entered Eternal Life 11.19.20

My Aunt Doris, Sister Marie de Lourdes, was a very special woman! I am honored to have been asked to write about her and thrilled to paint a picture of who she was with and for our family. My husband, John, our sons, John and Tim, and I

were fortunate to have lived for almost fifteen years in close proximity to Immaculata and other of her assigned missions. Therefore, we were blessed to see her and her friends on a regular basis. One such visit was especially memorable. Sister Maria Josita (our science teacher in high school) and Doris stopped by one Thursday evening at our Malvern home. John and Tim regularly attended Baptist bible school and Thursday was their class night. Aunt Doris and Sister Josita said they would love to go and off we went. During the program, Doris and I shared a hymnal. She looked at me and said, "This was never a picture I thought I would see!" A very ecumenical moment!

My favorite story centers on our wedding. In 1967, the sisters were not allowed to attend weddings. We were married in the cathedral in Harrisburg. Doris had been my hero all my life, and I was sad that she could not share the day with us. When we stood up for the recessional, something caught my eye. There she was waving from the choir loft. I hope she did not get in trouble but guess I will never know.

Another great story I share is when Oprah, on her TV show, told the audience to call a teacher who changed their life. Doris received two phone calls. How lucky her students were to have her and how wonderful that they knew they were lucky.

I want everyone to know that she was thoughtful and kind but prodding if necessary. Thus, I feel sure she demanded good work from her students. Her way of encouraging them was probably the same as it was for all of us! I looked up to her always and her opinion meant a great deal. However, me becoming a nun was never discussed!!

May she rest in peace!

SISTER MARIE A. MAYNES

(SISTER M. CHARLES ELIZABETH)

Entered Eternal Life 2.17.21

Sister Marie Maynes was an inspiration to many. Her obvious titles surface: IHM sister, elementary school teacher and principal, secondary school teacher, counselor for the Shalom Program, local and regional superior, mentor, and last, but not least, Congregational Archivist. Undoubtedly, she excelled in all of these ministries. That said, however, the proverbial second glance reveals more deeply an IHM on mission, humbly and generously serving the Lord and His people...a religious woman of prayer who treasured her Catholic faith, her family and friends, her vocation, and her IHM Congregation.

As a woman of deep faith, she truly lived the IHM charism of love, creative hope, and fidelity in countless ways. She lived the charism of love in her very memorable style of care and concern. Her love for God, family, and friends was a cherished gift. Marie exhibited this care, not only one-on-one,

but also as a regional and local superior. In times of a sister's illness, her care extended not only to the sister, but also to the sister's family, keeping them up to date and including them in the prescribed treatment plans. My family and I were blessed to experience this. Such love was fueled by her deep humility and tempered with her quiet determination.

Marie lived the charism of creative hope simply by the predictable pace of her everyday efforts. She was even, calm, and yet energized and enthusiastic as the situation elicited. There was hope for all: the sick, the young, the elderly, the students, the faculty and staff, the counseled, and most of all, the sisters and the Congregation.

Marie lived the charism of fidelity in many and varied ways; however, her fidelity was most obvious to me in her ministry as IHM Archivist. In a 2019 interview at Camilla Hall, she remarked, "My favorite task as archivist was to research the sisters. Each sister's history is precious. Each sister deserves to be remembered." She saw the role of the Archivist as the "Guardian of Community History" and she believed that, "Archivist to Archivist, they have passed the flame." She was truly faithful to the preservation of our IHM story in the archives!

Sister M. Helene Thomas Connolly, IHM

SISTER MARY CHRISTOPHER MCBRIDE

Entered Eternal Life 11.21.20

"Do all things with love." Every saint and kindred spirit could claim this often-repeated quote as their inspiration and pathway for living the Gospel message in their life. To me, Sister Mary Christopher was

the embodiment and my exemplar of making this goal a realization.

People, whether family, IHM sisters, friends, colleagues, or students were very important to her. Christopher loved others and enjoyed listening and sharing life's adventures with them. She related to others with sincere interest and understanding and always wanted the best for them. She and my Mom, Mary, shared many stories of growing up during the Roaring Twenties and the Great Depression with nostalgia and patriotism. They were so proud to be Americans!! With her

pleasant personality, Christopher gave love and acceptance to all she met.

Her blue eyes brightened when she spoke of the mountains, her family, and Shamokin, her hometown. She valued United States history and loved teaching. Northern Virginia was very special to her. She would often mention with affection, St. Thomas More, Arlington, and St. James, Falls Church and the memory always brought a smile to her face. She became a leader in education and was an excellent and respected principal for many years.

All who knew Sister Mary Christopher appreciated her deep devotion to prayer and her love of religious life as an IHM. She found calm and peace on her annual retreat at Villa Maria by the Sea in Stone Harbor. I, with so many others, rejoice that now at peace with Jesus she can enjoy the reward of "doing all things with love." May she continue to intercede for us all who miss her but are so grateful to have shared in her goodness.

Sister M. Diane Simons, IHM

SISTER CLARE IMMACULATE MCCROSSON

Entered Eternal Life 11.22.20

Our Aunt Clare grew up in a large Irish-Catholic family in St Michael's Parish in Philadelphia. She attended Hallahan High School where she was a standout player on the basketball team. After graduating, she entered the IHMs committing her life to Christ. Preparation for ministry included undergraduate work in economics, commercial law, and business at Immaculata College, and then Notre Dame University where she earned a master's degree in economics. Although she was always busy with teaching and administrative roles, she made time for her sisters, nieces, and nephews. She even tutored some of us in math on Sundays after Mass at our grandmother's house.

God gifted her with many talents, and she shared those talents teaching grade school, high school, and college, and serving as Congregational Secretary for 18 years. Eventually,

her ministry as an IHM took her to the Vatican Embassy in Washington, D.C. as secretary to the Apostolic Nuncio. Even then, she always remembered our birthdays with lovely letters and cards.

We fondly recall fun times as children going to the Camilla Hall bazaar and we knew that a fun time for her was going to Stone Harbor on retreat and swimming in the Atlantic Ocean! Her 50th jubilee was celebrated at the Embassy, where her whole family attended a joyous event. We'll never forget just how happy she was to share that special day with us in such a special setting.

Her last years were spent at Camilla Hall with one of her best friends, Sister Marie Magdalena. We enjoyed our visits, sitting outside listening to her great storytelling, laughing, and enjoying each other's company. One thing that stands out for us in those Camilla visits was how her face lit up talking about the St. Paddy's Day celebrations at Camilla Hall. She was a beloved member of our family, whose brilliant mind, infectious laugh, and Irish eyes will be long missed.

Aunt Clare, we know you are safely home with God, His saints and angels, smiling down on us all. We love and miss you dearly.

SISTER JUDITH ANN MOELLER

**(SISTER M. MARTHA
FRANCIS)**

Entered Eternal Life 2.5.21

Sister Judith Ann Moeller grew up in Langhorne, the youngest of six children born to Martha and Francis. With her three brothers and two sisters, she loved family activities such as competitive baseball games, picnics, bike riding, vacationing at the Jersey shore and the Poconos, enjoying a game of pinochle with her Dad, and playing with her friends who also happened to be her nieces and nephews. Due to closeness of our ages, she was our aunt but also just "Judy," and as a little one, was a flower girl in big sister Martha's wedding, and junior bridesmaid in her brother Frank's wedding.

Judy took piano lessons for 10 years and played beautifully but never enjoyed playing before an audience. She was an avid reader and had a great affection for animals. She attended Our Lady of Grace School and Bishop Egan

(now Conwell – Egan) High School. She entered the convent in 1965 after graduation and went on to become a devoted teacher of not only regular elementary students but also of those with special needs of visual impairment and intellectual challenges. She dedicated her life to helping children meet their fullest potential serving as principal of St. Lucy School for Children with Visual Impairments and later at Our Lady of Confidence Day School. When no longer in a school setting, Judy found joy working with intellectually challenged adults in a residential setting.

She was loved as a daughter, sister, sister-in-law, niece, aunt, cousin, godmother, religious, teacher, and a cherished friend to us and to so many others. At a family function or celebration, Judy was always there to see how she could help. Nothing was more important to her than family and she gave support, understanding, kind words, helpful hands, and most important - prayers. She always saw the good in others. She taught us by example that if you put your faith and trust in God, good will follow.

We miss her deeply but know that she continues to shower us with love and prayers. She was a true gift to our family and will remain forever in our hearts.

SISTER M. ST. MICHEL MULLANY

Entered Eternal Life 10.13.20

Many lucky people knew her as Sister St. Michel but to the family she was Betty or Aunt Betty. She was my little sister, a blessing to me all her life. We were not just sisters; we were friends. It was no surprise to anyone in the family when

she told us she was going to be a nun. I remember when as a little girl she wrapped curtains around her waist with another on her head, attached a rosary to her waistband, and then did her homework.

Betty entered the IHM Sisters in February 1951. Our mother, Philomena Mullany, and the other mothers of that mid-year group, formed a sewing circle to make the Postulant habits for them. This was the start of the Mothers' Guild. Betty was thankful for all they did over many years to help raise money for the sisters.

When I got married that October, she was not able to

come to the wedding, so we took the wedding party and many of the guests to West Chester so that she could share in the festivities. It was the first of many events that she shared with us over the years.

As a nun, Betty served in many places. She taught in elementary schools and high schools. She served as a principal and a regional supervisor. She even helped to write a mathematics textbook. In her later years, she was stationed at the Mother House in the archives with Sister Genevieve Simons. As with everything else she did, she gave herself to this, finding pleasure in sharing the history of the Immaculate Heart Sisters with others.

The last years of her life were spent in Camilla Hall. Once again, she found ways to give back to her community. In return, the community cared for her with love and kindness. Wherever she went, she touched the lives of those around her as is evidenced in the tributes that poured in after she left us. We are very grateful to have had her in our lives. Sister Betty will always be in our prayers and in our hearts.

SISTER MARIE ST. JAMES NULTY

Entered Eternal Life 7.10.20

Our aunt, Sister Marie St. James, loved family, laughter, parties, her community, and, most important, our Lord! Her faith was so strong and such an integral part of everything she did and said which made her an inspiration to all of us.

Aunt Helen loved being with family and especially spending time with her grand nieces and nephews. She was always so proud of them and their accomplishments and they adored her. Spending time with her was always special to them and to all of us.

They say that a good friend is a true treasure, and Aunt Helen found that treasure in Sister Jean Miriam Alfonsi. They had a special bond and friendship and shared so many special times together. We all loved when Sister Jean and Aunt Helen

were together because they would constantly be giggling about something. They spent a lot of time together, but Aunt Helen was happiest during their times in Stone Harbor where they worked in the kitchen.

Aunt Helen touched our lives in so many ways, and after her death, it became apparent that she touched the lives of so many! The outpouring of love and prayers that we received from prior students, colleagues and from her community are a testament to her and a comfort to all of us. We will always carry Aunt Helen in our hearts and cherish the memories shared. Her smile could light up a room and her giggling laughter was absolutely infectious. She was sincere and humble and always had a smile to share. When she asked how everyone was doing, she truly was interested and would listen intently to all the details.

Aunt Helen was just shy of 90 when she went to meet Jesus. For the almost 90 years she was here, she truly made the world a better place and made all of us better people. Aunt Helen, we love you and miss you, but find peace in knowing that you are home with our Lord and watching over us.

Sister Mary Anne Nyzio was the oldest of four siblings. Five years older than me, she was my idol and that of my brother, Bob and my sister, Bernadette. She was intelligent, loved movies,

and was quite the musician, playing the accordion, organ, piano, harp and guitar. The four of us attended St Joachim School. Mary Anne graduated from Little Flower High School in 1958.

One of the most memorable moments for me was when she announced in seventh grade that she was going to become a nun and work in South America. So, when she entered the IHMs, we were not surprised. Not long after her profession of vows, we were packing an ocean trunk full of supplies and gifts for her assignment in Peru. On Sunday evenings, we would gather at our grandmother's and through the overseas operator, talk to her and hear how she was and what she was doing. The costly calls weren't very clear and were sometimes

cut off, but we loved those "visits."

She loved doing missionary work. On one return from South America, she was stationed at St. John Bosco in Hatboro. After completing the school day, she would visit residents in a nearby low income housing development. One day, she asked for my daughter's shoes (which she was wearing) for a child in the development! She also added, "Oh, and by the way could you provide a mattress also?"

Serving in Chile and Peru, she certainly met challenges. She lived through various government revolutions, and each time there was an upheaval, the new government would dictate the content of history to be taught. While she was in Montenegro, Peru opening a new school and convent, our father passed away. Six months later when our sister Bernadette was diagnosed with terminal cancer, Mary Anne came home to care for her and help our mother.

After our mother died, she served as part of the IHM administrative council, but we knew her return to Peru was inevitable after she confirmed that Bob and I were accepting of that decision. My wife and I were fortunate to visit her in Peru. We spent an incredible week experiencing her life and work and better understood what drew her there. What mattered most to Mary Anne was her service to God, the IHMs, the poor in the missions, and her family.

SISTER M. RITA K. O'LEARY

(SISTER RITA REGINA)

Entered Eternal Life 2.25.21

Rita Kathryn O'Leary, daughter of James P. and E. Elizabeth O'Leary, was the first of six children and the only girl. She dearly loved each one of her younger brothers, Jim Jr,

Joe, John, Jerome, and Raymond. She was many things to many people – daughter, sister, sister-in-law, beloved aunt, teacher, mentor, and friend.

Sister Rita loved attending the many joyous celebrations that come along with having a large family. Whether at outside venues or in our homes, she looked forward to attending family Baptisms, First Communions, weddings, graduations, and anniversary celebrations, and loved socializing at the parties with a nice glass or two of Chardonnay. There was never an occasion for family members or friends who came without receiving a beautifully written card from her followed

by a phone call with her congratulations.

She loved music, whether she was teaching, listening, or singing. Rita was ever an example of God's love for all of us which was even expressed through her beautiful voice at the funerals of our parents and our brother Jim. She enjoyed hearing from and visiting with friends and family; most especially, she cherished hearing from her nieces and nephews wanting her to know and be proud of their latest accomplishments.

Sister Rita embraced many opportunities during her vocation, serving as teacher and principal and at Immaculata as Dean of Students and Director of Development. She assumed each task with full attention and a willingness to accept the challenges put before her. When she was assigned to Camilla Hall, one of her friends observed that Rita had "accepted what God was making available to her." She showed great affection for the staff who provided her with excellent care. She was always excited to introduce staff to friends and family who were fortunate enough to be able to visit her at Camilla Hall.

Rest in peace, dear Rita. We miss you, love you, and know you are in heaven with Our Lord and Mother, Daddy and Jim.

SISTER CAROL MARIE REPHOLZ

Entered Eternal Life 1.23.21

Sister Carol Marie, whom I lovingly called, ‘My Nun,’ was a very special part of my life for over 50 years. Her unconditional love and support, along with her patient listening, made her very much like a mother to me.

Sister Carol was on the faculty at St. Hubert’s High School where I was a student. Throughout my high school years, I went to see her many mornings. Not surprisingly, because of her example, I seriously considered entering the IHM Congregation after graduation. If I were to do so, Sister Carol was to be my sponsor.

My vocational discernment included many conversations and a great deal of prayer with her. Throughout the process, sister offered me total, unconditional support. It was after about three years that I told her that I believed I wanted to have my own children. In response, Sister, who was a phenomenal and talented seamstress, told me that whatever I finally decided,

she would make either my first habit or my wedding dress. Four years later, she made me the most beautiful wedding dress.

Her skills were manifested in future years in connection with significant events in the lives of my children. She made an exquisite Christening gown when my first child, a son, was born. The gown was worn by him, my three daughters, and two grandsons on the days of their Baptisms. Sister Carol personally dressed each of them for their special day. In subsequent years, Sister made an individualized First Communion dress for each of my three daughters, one of whom is named Carol Marie. From their earliest ages, the children affectionately called her “Aunt Carol.”

The 50 plus years of friendship culminated in visits to sister during the years she lived at Camilla Hall. Of special memory was the experience of our saying goodbye to one another. I would say, “Remember, nobody loves you like I do. I love you lots. I love you dearly,” and she responded, “I love you.” I called such experiences graced moments. How blessed I was to have had Sister Carol Marie in my life.

SISTER DOLORINE MARIE RYAN

Entered Eternal Life 12.27.20

To most, our aunt was known as Sister Dolorine, but to us she was Aunt Terry. The oldest of four siblings, she grew up in Mayfair with our mother, Jane, and her brothers, Bill and Jackie. She graduated from St Hubert’s High School in 1951

and felt called to a religious life of service. Entering the IHM Congregation at such a young age, she was a window to the history and evolution of the convent and religious life. We watched the style of her habits change over the years as well as her freedom of personal expression.

Family was her valued treasure. As a child, holidays and Sundays were spent with grandparents and cousins gathered round the table exchanging stories and laughter. In later years, she loved spending time with her siblings, especially when her Delaney and Ryan cousins were part of the mix. Over the years, she served as a trusted sounding board for advice, especially when it came to education. She valued

the importance of spiritual education in youth. However, she insisted the choice of each child’s academic education should be what was best for them. She particularly stressed this when it came to her grandnieces and nephews.

During winter months, you would often find Aunt Terry enjoying a women’s basketball game on television. She particularly supported The Mighty Macs from Immaculata and the UConn team. (Loyalty to UConn developed from her years stationed in Connecticut.) In the summer, she looked forward to her retreat at Villa Maria-by-the-Sea in Stone Harbor. We will always remember her as we proudly wear our ‘Nuns Beach’ hats at the shore.

Her grandnieces and nephews will never forget celebrating her jubilee and watching her IHM friends line dancing and singing to Pharrell’s song “Happy.” She reminisced about that celebration from that day on. It reminded her of how blessed she felt to be surrounded by her religious family of sisters.

Although we will miss her, we find comfort that she is with her parents, and her sister and brothers – all of whom she missed so much these past few years.

SISTER MARY ELIZABETH SCHMIDT

**(SISTER M. MARGARET
JOANN)**

Entered Eternal Life 6.26.21

For Sister Mary Elizabeth Schmidt, teaching and family were two passions throughout her life. From her years in the elementary classroom, to her time as Director of Religious Education at Sacred Heart in

Lancaster, educating youth brought her profound joy. While Sister could have a stern approach at times with her students, she was a dedicated educator. She even kept her hand in teaching after retirement by tutoring elementary students at Camilla Hall.

Her nieces and nephew (and later her grand and great-grand nieces/nephews) lovingly referred to her simply as “Sister” or Aunt Mary if we were out in public and she was out of habit. Her gifts to them at Christmas reflected her deep belief in the value of education. The holiday treasures typically included pencils, crayons, workbooks, pencil cases and other

school supplies, which she had shopped for throughout the year and stashed until December – always on the lookout for the best bargain. Even in her retirement years, she maintained that love of shopping for bargains, running errands for her fellow sisters, or taking others out for short shopping sprees at the dollar stores or her favorite retailer, Boscov’s.

Her love for her family and close friends was witnessed in a myriad of ways. In addition to her Christmas and birthday remembrances and her efforts to be a part of all our important life milestones (baptisms, confirmations, graduations, weddings, and so on), we marveled when we saw the abundance of family photos she had kept over the years, chronicling our lives and the happy times she spent with us.

“Sister” had a terrific sense of humor and enjoyed a good joke or laugh, coming up with her own zingers on the fly. She also enjoyed cooking, a skill undoubtedly inspired as she watched her father in his bakery. She often took on cooking duties at the various places to which she was assigned during her years as an IHM. She had a taste proclivity for Hammond’s pretzels, a Lancaster-county staple she had grown up with, as well as a real sweet tooth. Perhaps whipping up a batch of sugar cookies or her favored springerles would be a fitting final tribute from us for our wonderful Aunt Mary.

SISTER MIRIAM DENNIS SCULLEY

Entered Eternal Life 2.25.21

I first met Sister Miriam Dennis (Mary Theresa) when we arrived together at St. Theresa of the Child Jesus Convent in August 2004. I grew to know her as a mature religious who spent years living in joyful, selfless service to God

and His people. But neither I nor others knew much about her personal life. She did not talk about herself but always about those with whom she lived or interacted. Her greatest joy was doing for others.

Wishing to present a fuller picture, I decided to ask others who knew her as a faithful IHM to share their ideas of what made her a “Sweetzie” to all. It became clear that joy and selfless service were hallmarks observed by all. I asked Sister Marita Jean why she was called “Sweetzie.” In response, Sister Marita explained, “As postulants, Sweetzie would always offer to press the dresses of the members of the band

and was generous in offering help when needed. We would often comment how sweet she was, and eventually, the name “Sweetzie” evolved.”

“Sweetzie” was the essence of who she was and it is evidenced in loving statements: “She had a fantastic sense of humor with a contagious laugh.” “What a mark Sister left on my heart!” “I was gifted by the pure sound of her laughter.”

The testimony of Joe Bushong, of Villa Maria House of Studies food service, echoes the thoughts of many as he says, “Our Sister Miriam Dennis was one of the happiest nuns I ever met. I could always tell when the school year was over. Sister would appear at the kitchen door, spatula in hand. It was cookie time—pizzelles and macaroons to be exact. Often, I sat (taste-testing) with her to solve the world’s problems, especially mine! Sister Dennis was a good listener and a wise sage. Her storytelling, accompanied with her jocular laughter, would leave the kitchen staff in stitches. I cannot begin to tell you how much she is missed. Sister’s legend and the mark she left on me will endure forever.”

Sister Miriam Dennis – a joyful bearer of God’s redeeming Love!

SISTER MARIA FRANCINA TRAVIS

Entered Eternal Life 6.12.21

Sister Maria Francina (Aunt Bernice) was born on May 10, 1926, on a small family farm in East Bradford Township outside the Borough of West Chester, PA. She often spoke fondly about the farm work, with “the boys” looking after the cows and chickens and with her helping with the household chores. Her parents, Charles and Mary, both hailed from the same South Philadelphia neighborhood. Together, this “city couple” as she affectionately referred to them, established their home and raised their family of 10 children. Her father was a blacksmith (trained on a horse farm in Kentucky), part-time farmer, and eventually a full-time postal office worker.

Aunt Bernice attended St. Agnes School for grades one through 12 as did all her siblings. She entered the IHM Community in 1946, joining her sister, Sister Mary Imelda Travis (Aunt Betty) and pronouncing her first vows on August 15, 1948. She was known in her community and her apostolate

to be introspective, humble, warm, and caring.

She sought to help her students with any need. One day a boy was waiting outside in the cold for the school doors to open. Without hesitation, she invited him in and continued to do so for the rest of the winter. She had special patience with students that needed “extra” help. She said that she understood and could feel their frustrations because she was not a particularly gifted student, and she knew what it was like to struggle. This perspective made her a more compassionate and effective teacher.

She entered Camilla Hall in August 2011. As often as we could, and when convenient for her, we’d have her over for Sunday dinner and tea. She loved chicken! Her health gradually declined, and the onset of the pandemic prevented us from visiting or having her at our house. This precious soul who dedicated her life to the mission of education and remained true to her IHM profession went to rest with her Lord in June.

Sister Francina will be remembered and live on in our hearts as well as the hearts of all who knew her. I am in awe of her and the countless other sisters who have gone to their reward before her. May God reward her with our prayer – “Requiescat in Pace” (R.I.P.).

SISTER M. TERESA VOLPE

(SISTER M. THOMAS
BERNARD)

Entered Eternal Life 12.31.20

Aunt Teresa, my father’s sister, was born on November 11, 1923 in South Philadelphia, the third child to Michael and Rose Volpe. She attended St. Edmund School and Hallahan

High School. She had an older sister, Elizabeth (Sr. Miriam Michael IHM), an older brother, Joseph, and a younger sister, Rosemary. The four of them were inseparable.

After high school, Aunt Teresa got a job and worked for almost seven years before, as she told us, she “Got the Calling” to become a sister. Following in her sister’s footsteps, she entered the Sisters of the Immaculate Heart of Mary and was professed in 1948.

She taught in Philadelphia, New Jersey, and Georgia schools and was principal of a school in Bensalem, PA. Her love for teaching showed on her face whenever she talked

about her students whom she loved. When we would visit her, she always asked us what we were learning in school, and she would listen to us ever so intently. We would then go over to the school so she could show us her classroom, glowing with pride and happiness. She would also let us draw on the blackboard, which made us happy even though we knew she would erase it all before her students returned to school on Monday.

Eventually Aunt Teresa would come to my parents’ house to spend a few days with our family. It was nice to have her and her sister, Sr. Michael (Aunt Babe), for a visit. Once Sister Teresa came to our house with two or three sisters from her convent and spent the night. We had so much fun playing cards and laughing the night away.

Aunt Teresa was hesitant to retire to Camilla Hall, but she took the change in stride and found happiness helping the sisters there. She out-lived her siblings and is now at peace. We know there was a big party when she arrived in heaven and was reunited with her family.

God bless you, Aunt Teresa. You will be missed by family and many students.

SISTER M. JOANNE WALLACE
(SISTER M. ANNE GEORGE)
Entered Eternal Life 4.15.21

Our sister, Joanne Michele Wallace, was born on May 22, 1942 at Sacred Heart Hospital in Norristown, PA. She was the first child of Anne (Prusinowski) and George M.

Wallace. Shortly after she was born, our father joined the U.S. Navy to serve in WWII. Our Mom and Joanne moved to West Conshohocken to be closer to our mother's parents, her six sisters, brother, and brother-in-law. It was ideal as there was always someone around to play with Joanne. When our father came home from the war, he was sporting a mustache. When Joanne saw him and cried, he shaved it off!

Six years later, another baby (Phyllis) was added to the family and Joanne started school at St. Gertrude's. Joanne was always at the top academically and was chosen to be the May Queen in 8th grade. Joanne went to St. Matthew's

High School in East Conshohocken where, again, Joanne excelled in all her classes. She joined the marching band and played the trombone. Joanne was an active member of the Forensic Society and several other clubs. It was during high school that little sister, Debbie, was born and when Joanne met her future IHM sponsor, Sister Michael Maureen. Serious thoughts about entering the IHM community took root. But summers were still for fun and for summer jobs. Two of her favorite summer jobs were being a nanny to a little boy and working at our uncle's marina in Ocean City, NJ.

Joanne loved her friends and family! She continued to meet with a group from high school during every Christmas season and kept a pen pal in England for over 10 years. With degrees from Immaculata and St Charles Seminary, she loved teaching in Pennsylvania, New Jersey, and Virginia and working for Renew International. During this time, she had the opportunity to use her speaking skills while traveling all over the United States.

Joanne was the life of a party. She was always the first one to dance, lead the Conga line, or get dessert. We miss her but are sure she is teaching the Polka in heaven.
