

Hymn in Honor of St. Alphonsus

(Tune: “’Tis a Gift to be Simple” or “Lord of the Dance”)

Let us praise Saint Alphonsus, Saint of God’s boundless love,
Let us learn from him to seek the things above;
From day to day to choose the better part,
“The paradise of God is the human heart.” *(refrain)*

REFRAIN: Praise, Love, Thanksgiving all our days!
When heart speaks to heart our voices we raise.
With Mary’s song, we magnify the Lord,
Rememb’ring God’s love evermore.

Let us praise Saint Alphonsus, Saint of God’s humble poor,
Let us learn from him to give and give some more;
To find our daily strength in Christ, the Living Bread,
The Sacred Meal on which he fed. *(refrain)*

Let us praise Saint Alphonsus, Saint of God’s Holy Word,
Let us learn from him to let our hearts be stirred
To do God’s will wherever we may be,
To give ourselves through community. *(refrain)*
