

For Your Personal Reflection in July

Need a New Book? Cimperman, M. (2020). *Religious life for our world: Creating communities of hope*. Maryknoll, NY: Orbis Books.

Cimperman, M., & Schroeder, R. (2020). *Engaging our diversity: Interculturality and consecrated life today*. Maryknoll, NY: Orbis Books.

Ponder: *The above authors from Catholic Theological Union offer us recent titles to consider as we gather this month to celebrate 175 years of Graced, Consecrated Life.*

+++ *How might their pages help us continue to be Faithful Witnesses, Sisters Servants, in 2021 as we write the history of our future?*
