

December Questions Being Pondered

- 1) In light of our goal for 2020-2021, how have the past 6 months redefined your understanding of “emerging needs” in ministry?
- 2) In light of our goal for 2020-2021, where have you seen the need for more efforts with inclusion and cultural sensitivity in your local mission/ministry? Can you give specific examples of efforts made in your “world” in last 6 months?
- 3) ***In light of our goal for 2020-2021 & in consideration of our charism rooted in an awareness of Divine Providence at work, cite examples of the presence of Providence or a new awareness of how & where it can be more visible in this coming year.***
- 4) ***In light of the pandemic and ongoing civil tensions here in the U.S., what is your response to this goal as Fall 2020 unfolds?***
