

### **Prayer to Mary, Comfort of Migrants**

Mary, Comforter of Migrants,  
we come before you with heavy hearts,  
bearing the burdens of those who seek refuge  
and the solace of a new home.

You who know the struggles of the journey,  
guide and protect every traveler on the road,  
offering strength in moments of fear,  
and hope when the way seems unclear.

Embrace the families torn apart,  
the souls searching for safety,  
and those facing uncertainty and despair.  
May your loving presence bring them peace  
and reassure them of their worth.

Inspire us to be a source of comfort  
for those who suffer and long for acceptance.  
Help us to recognize the face of Christ  
in every migrant, every refugee,  
and to welcome them with open hearts.

Let us recognize the dignity in every person,  
reflecting your love and mercy in our actions.

O Mary, wrap your mantle around all migrants,  
and intercede for a world  
where every individual can find peace,  
belonging, and the promise of a brighter future.

Amen.
